Introduction

The Annual Report 2023–24 of Poornima University presents a vivid snapshot of an inspiring journey marked by growth, achievements, and impactful initiatives. Guided by its vision to create a knowledge-based society that thrives on scientific temper, team spirit, and global competitiveness, Poornima University continues to set benchmarks in academia, research, and community development.

Established in 2012, the University has grown exponentially to become a multidisciplinary institution offering programs in Management, Engineering, Computer Applications, Architecture, Design, Public Health, Hotel Management, and more. With over 8,000 students from across India and beyond, the University stands as a beacon of quality education and innovation, recognized by esteemed bodies such as the University Grants Commission (UGC) and lauded for its excellence in rankings, including its Diamond Rating by QS I-Gauge.

The academic year 2023–24 has been a period of remarkable transformation and progress. Across all faculties, the University has strengthened its academic rigor, industry collaborations, and research outputs. This year witnessed the introduction of new programs, the launch of innovative projects, and the expansion of global partnerships. Through strategic initiatives like the Corporate Advisory Board and over 100 MOUs with leading organizations, the University has seamlessly aligned its academic offerings with industry needs, ensuring students are well-prepared for dynamic global challenges.

Infrastructure has remained a cornerstone of the University's success. The green campus, equipped with advanced laboratories, modern classrooms, a sprawling library, and student-centric amenities, provides a nurturing environment for holistic growth. Moreover, the emphasis on sustainability through renewable energy initiatives, rainwater harvesting, and eco-friendly operations underscores Poornima University's commitment to environmental stewardship.

This report is a celebration of the vibrant culture at Poornima University, highlighting achievements in academics, research, cultural endeavors, sports, and community engagement. It offers a detailed account of initiatives undertaken by various faculties, central cells, and departments, illustrating the University's focus on fostering innovation, inclusivity, and ethical responsibility.

As we document the milestones achieved during this academic year, the report serves as both a reflection of our efforts and a roadmap for our aspirations. It encapsulates the relentless dedication of our faculty, staff, and students, whose collective contributions have propelled Poornima University to greater heights.

With this Annual Report, we invite you to explore the dynamic journey of Poornima University during 2023–24—a journey defined by excellence, innovation, and a resolute commitment to shaping future-ready leaders for a better world.

Vision, Mission & Quality Policy

Vision

Our vision is to create a knowledge-based society with a scientific temper, team spirit, and dignity of labor to face global competitive challenges.

Mission

Our mission is to evolve and develop skill-based systems for effective delivery of knowledge so as to equip young professionals with dedication and commitment to excellence in all spheres of life.

Quality Policy

We believe in providing quality education through faculty development, updating of facilities, and continual improvement to meet norms laid down by UGC, keeping stakeholders satisfied.

Governance Structure

Profile of the Institution

Poornima University (PU) is a state private University in Jaipur, India established by an act of the Rajasthan legislature. PU was established in 2012 with a vision to create knowledge-based society with scientific temper, team spirit and dignity of labour to face global competition and challenges. PU is recognized by University Grants Commission (UGC) under Section 2(f) and 12(B) with the right to confer degrees as per Section 22 (1) of the UGC Act, 1956. Its architecture program is approved by Council of Architecture (CoA) and hotel management program is approved by NCHMCT. Currently, PU has more than 8000 students from all over the country enrolled in eight schools and fourteen departments of UG/PG and PhD Programs in various areas such as Management, Engineering, Computer Application Sciences, Architecture, Design, Public Health and Hotel Management etc.

Poornima University has won the following Awards and Recognitions in a short span of time:

a) Recognized by the prestigious Indian Army to sponsor their officers to pursue Post Graduation courses during their study leave.
b) MOU signed with Military College of Electrical & Mechanical Engineering (MCEME), Secunderabad, for Academic Collaboration and Research.
c) Poornima University is rated as 'Diamond' category in overall rating for Indian Colleges and Universities by QS IGauge.
d) Poornima University is ranked one amongst top 25 Emerging Multidisciplinary Universities of our country (Source – The Week – Hansa Research Survey, May 26, 2024)
e) School of Management & Commerce, Poornima University is ranked one among top 23 Private University B School in the country (source – Times B School Ranking Apr 2022)

In order to keep pace with the rapid changes in the industry and to prepare the students industry ready, PU has established a <u>Corporate Advisory Board having around 130 members</u> to guide, help and support the University from time to time. The Corporate Advisory Board comprises senior leaders across the industries who will provide non-binding strategic advice to the management of Poornima University. PU has been working in collaboration with Industry & Academia for quality delivery in academic content and research. PU has signed more than <u>100 MOUs with prestigious national/international universities/organizations</u>. Further to this PU has also tied up with many industries such as Microsoft, IBM, Shriram Automall Ltd., Bollore Logistics Ltd., A3 Logics Ltd., Fleeca India Pvt. Ltd., AJMS Global for Internship/apprenticeship embedded graduation program, placement, collaborative projects, seminars, etc.

PU has a very strong Advanced Study and Research Cell which takes care of all research related activities such as Ph.D. programme, center of excellence, patent and IPR, publications, funded projects etc. The University has well established Integrated Nodal Centre for Entrepreneurship & Novel Technologies (iNCENT). It has contributed more than 100 Entrepreneurs till now. University also caters to various aspects of IPR, Professional ethics, gender sensitivity and social responsibility.

Statutory Bodies

The following bodies operates in the University as per their respective functions mentioned in Act and Statutes:

1. Board of Management: The Board of Management is composed of members as per Section 22 of the Act, with nominated members serving a three-year term. Members cannot hold multiple capacities simultaneously and may serve only two consecutive terms with a three-year gap thereafter. Meetings are chaired by the Chairperson, who ensures timely notice and agenda dissemination. Decisions are made by majority vote, and dissent is documented. The Board oversees property, funds, contracts, and appointments, ensures academic standards, and manages collaborations. It also holds powers to restructure departments, create or abolish posts, and regulate salaries as per governing norms.

2. Academic Council: The Academic Council, chaired by the President and comprising key academic officers, heads of departments, and co-opted experts, oversees academic matters with a three-year term for non-ex-officio members. Meetings are held biannually, requiring a quorum of five members. The Council formulates regulations on courses, curricula, and examinations, advises the Board on academic standards, teaching posts, fees, equivalency, and scholarships, and promotes research. It recommends academic collaborations, library management, and the creation or abolition of departments. The Council also proposes regulations for M.Phil. and Ph.D. programs, evaluates research proposals, and suggests academic calendars, fostering coordination between faculties and maintaining educational standards.

3. Faculty Board: The Faculties of the University correspond to subjects listed in Schedule-II of the Act and approved under Section 4. Each Faculty comprises the Dean, professors, department heads, Board of Studies conveners, and co-opted members, with non-ex-officio members serving three-year terms. Meetings are convened by the Dean or President, requiring one-third quorum, with provisions for joint meetings across faculties. Faculties recommend courses, curricula, examination schemes, and department restructuring to the Academic Council, consider reports from Boards of Studies, and suggest improvements in teaching, research, and degree conditions. They also perform functions as outlined by the University's governing statutes.

4. Board of Studies: Each subject or group of subjects has a Board of Studies, with members appointed for three years. Each Board includes up to five members: three internal (including the Head of Department and postgraduate teachers) and one or two external experts. The Convener, elected by members, organizes meetings with a quorum of half the members. The Board of Studies

recommends courses, curricula, and exam schemes, addresses examination-related issues, and advises on academic improvements. It may hold joint meetings with other Boards when required. It prepares panels of qualified internal and external examiners, ensuring at least 50% of final examiners are external, and advises university authorities on examination reforms and academic matters.

5. Research Board: The Research Board, chaired by the President, includes the Ethics Committee Chairperson, Pro-President, Heads of University Departments, Deans of Faculties, and the Registrar (Member Secretary). It meets at least twice per academic session, with a quorum of one-third of its members. Its functions include recommending eligible research guides, proposing doctoral registration processes, ensuring quality and plagiarism-free research, ensuring compliance with UGC regulations for M.Phil and Ph.D., and addressing research-related matters assigned by the Board of Management or Academic Council.

6. Publication Board: The Publication Board, chaired by the President, includes the Pro-President, Deans of Faculties, University Librarian, and Coordinator of the University website. It meets at least once a year, with a quorum of five members. The board is responsible for publishing the University Journal, results of postgraduate studies, textbooks, University extension lectures, and any other materials deemed appropriate by the Academic Council. It also ensures compliance with publication requirements set by regulatory bodies and the State Government on the University's website.

7. Finance Committee: The Finance Committee advises the Board of Management on financial matters and meets at least once a year, with a term of three years. It consists of the Chairperson, President, two members each nominated by the Board of Management and the sponsoring body, the Registrar, and the Chief Finance and Accounts Officer (Member Secretary). With a quorum of four, its functions include examining the annual budget, reviewing accounts and audit reports, and recommending financial and development matters to the Board.

Details of Faculty & Departments

There are a total of 9 faculty and 16 departments in Poornima University. The brief details are as under:

Faculty of Planning & Architecture (FPA)

The Faculty of Planning & Architecture (FPA) at Poornima University continues to shine as a hub of academic excellence and creative innovation. With its commitment to fostering professional skills, design expertise, and a sense of responsibility among students, the department ensures a seamless blend of theoretical knowledge and practical application. Through a range of workshops, site visits, academic programs, and cultural engagements, FPA aims to prepare its students to excel in the dynamic fields of architecture, planning, and design.

Academic Initiatives & Workshops

In the past academic year, FPA organized several impactful workshops aimed at enhancing students' technical and creative capabilities. One such notable event was the three-day **Siporex and Scrap Art Workshop**, held in July 2023. This workshop brought together over 150 students who collaborated with renowned sculptors, including National Award winner Hariram Kumbhawat and Mouktik Sudhir Kate. Students gained hands-on experience in carving, welding, and model finishing, creating impressive installations that showcased their talent and ingenuity.

Another highlight was the **Masonry Magic Workshop**, which introduced students to the history and techniques of brick masonry. Participants engaged in practical sessions where they explored bonding techniques, mortar preparation, and wall construction. The workshop concluded with a project showcase where students presented innovative brickwork designs, ranging from simple walls to intricate patterns. These workshops not only enhanced technical knowledge but also fostered creativity and problem-solving skills among participants.

The FPA also hosted a three-day **conference on Inclusive, Resilient, and Sustainable Human Settlements**, in collaboration with the Council of Architecture. This event brought together architects, urban planners, and research scholars to discuss innovative approaches to urban challenges. The conference served as a continuation of the department's earlier efforts, such as the Urban Transition and Governance series, emphasizing sustainable and inclusive development.

Experiential Learning

Experiential learning remained a cornerstone of FPA's academic programs. Several site visits were organized to provide students with real-world exposure and practical insights. For instance, a visit to **Primark IP**, a premier Plylam Marketing Company, allowed students to explore materials and techniques used in showroom design. They gained valuable knowledge about intelligent building systems and material installations.

Similarly, the visit to **Jaldhara Water World**, a Jaipur Development Authority project, focused on rainwater harvesting systems and landscaping elements. The students not only admired the site's scenic beauty but also learned about sustainable practices in architecture. Another significant visit was to **Shaheed Smarak**, where students analyzed site contours and landscape details for their Architectural Design-VI project, a proposed War Museum. These visits bridged the gap between classroom theories and real-world applications.

In addition to site visits, students participated in an **educational excursion across Rajasthan** from September 11-16, 2023. The excursion provided an opportunity for fifth-year students to connect with the architectural and cultural heritage of the region. By exploring historical monuments, diverse architectural styles, and cultural marvels, students gained a deeper understanding of the theoretical concepts they studied in class.

The department also conducted its annual **Pehel Orientation Program** to welcome first-year B.Arch and B.Des students. This program introduced new students to the university's culture, faculty members, and course curriculum. It served as an essential platform for students to settle into their academic journey and foster a sense of belonging.

Cultural Engagements

Cultural events formed a vibrant part of FPA's activities during the year. Students participated in the **Jaigarh Festival 2023**, a celebration of Rajasthan's art, craft, and history. During this two-day festival, students attended special lectures, workshops, and cultural performances. Nineteen students also had the unique opportunity to volunteer at the festival, escorting members of Jaipur's royal family and gaining invaluable exposure to event management.

The department's participation in architectural festivals brought accolades and recognition. At the **Jaipur Architecture Festival**, FPA students secured 1st place in an installation competition, showcasing their design and execution skills. Similarly, they earned the 2nd runner-up position at the **Rajasthan Architecture Festival**, held by the Indian Institute of Architects, Rajasthan Chapter. In the **IIID Design Competition**, FPA students claimed the top prize for their innovative and practical designs.

Faculty Achievements

The dedicated faculty of FPA played a pivotal role in mentoring students and contributing to the department's achievements. **Ar. Manjari Rai**, the Dean, mentored students who won prestigious awards such as the Rajasthan Architecture Festival and the Uttam Birla Architect Award. Faculty members also actively participated in workshops, FDPs, and research initiatives. For instance, **Ar. Sandeep Kumar** secured a top 5 rank in the course "Project Management," while **Mr. Pawan Sharma** was honored with the Prafula Dhankar Merit Grant Award and a Senior Research Fellowship by the Ministry of Culture. Such achievements reflect the faculty's commitment to academic and professional excellence.

Future Vision

As FPA looks ahead to the academic session 2024-25, the department is committed to advancing its mission of fostering innovation, sustainability, and academic excellence. Plans include expanding research collaborations, introducing workshops on sustainable construction practices, and enhancing global academic partnerships to provide students with international exposure.

Dean's Message

"I extend my heartfelt congratulations to all students and faculty members for their achievements over the past year. As we step into the new academic session, I encourage everyone to remain committed to continuous learning and ethical responsibility. Together, let us strive to create a future that balances creativity, sustainability, and social impact."
— *Ar. Manjari Rai, Dean, FPA*

With its comprehensive approach to education and professional development, the Faculty of Planning & Architecture continues to make significant strides, contributing to Poornima University's vision of creating socially responsible leaders in architecture and design.

Faculty of Design and Arts (FDA)

The Faculty of Design and Arts (FDA) at Poornima University continues to lead by example in the fields of design education and creative arts. Guided by the motto "Design is intelligence made visible," FDA has established itself as a hub for innovation and academic excellence. With its emphasis on design thinking, hands-on learning, and cross-disciplinary collaboration, the department nurtures students across four streams: Fashion Design, Interior Design, Animation Design, and Visual Arts.

Over the years, FDA has grown into a respected name in design education, celebrated for its state-of-the-art infrastructure, cutting-edge curriculum, and dedicated faculty. These achievements are a testament to the vision of Poornima University, which recognized the importance of design education long before its integration into the national discourse. As Dr. Jitendra Sharma, Dean of FDA, aptly stated, "We must design for the way people behave, not for how we would wish them to behave." The faculty's mission revolves around instilling this pragmatic philosophy in its students while preparing them to excel in the design industry and creative arts.

Academic and Cultural Initiatives

The 2023-24 academic year witnessed FDA's students and faculty actively participating in a variety of workshops, conferences, and cultural events, demonstrating their passion for design and the arts. One of the most significant academic events was the **ICETDA 2024**, a two-day hybrid-mode conference. Scholars from across the globe presented over 100 research papers, creating a platform that bridged the gap between the domains of design and arts. This conference served as a vital opportunity for knowledge sharing and collaboration among professionals and students alike.

Another notable event was **Pink Fest 2024**, which celebrated cross-border cultural connections through art exhibitions, workshops, and performances. This pioneering initiative showcased Rajasthan's artistic heritage while fostering global appreciation for the interplay between tradition and contemporary design. The festival successfully positioned FDA as a hub for cultural and artistic dialogue.

Students also participated in a range of hands-on workshops designed to hone their technical and creative skills. The **Screen Printing Workshop** allowed students to master versatile printing techniques, bringing their designs to life on fabric and paper. Similarly, the **Theatre Workshop** encouraged creativity, teamwork, and self-expression, culminating in an inspiring performance during Poornima University's Annual Fest, Lakshya.

Experiential Learning and Industry Exposure

FDA strongly emphasizes experiential learning, organizing multiple industrial visits and educational excursions. A visit to the **Anokhi Museum of Hand Printing** provided Fashion and Textile students with insights into the intricacies of hand-printing techniques and their relevance in the modern fashion industry. These visits help students connect classroom concepts with real-world industrial practices, preparing them for the professional challenges ahead.

The department also facilitated the **Sarjana-II International Painting Camp**, held in association with the Jaipur Art Summit. This week-long camp brought together 7 international, 8 national, and 8 Poornima University artists who collaborated on various mediums and surfaces. Students from 14 universities actively participated, creating opportunities to learn directly from established artists. Such initiatives encourage creativity, collaboration, and skill development, aligning perfectly with FDA's goals.

Showcasing Talent and Achievements

The academic year was filled with opportunities for FDA students to showcase their talent. The **Guleri Annual Art Exhibition** was a groundbreaking event that highlighted students' accomplishments in visual arts, animation, and game design. Featuring an impressive array of works, including sheets, canvas art, animations, and short films, the exhibition made the campus vibrant and inspired peers and visitors alike.

One of the major achievements this year came at the **10th Rajasthan International Film Festival (RIFF 2024)**, where FDA Animation & VFX students screened a short film that won the award for "Best Student Short Film." This accolade reflects the department's dedication to encouraging creativity and technical excellence.

The **Poornima Trends 2024** Annual Fashion Show showcased the innovative work of Fashion Design students across 2nd, 3rd, and 4th years. Attended by industry professionals, this 8th edition of the show celebrated creativity, craftsmanship, and the seamless integration of design and art.

Additionally, the **Sports Meets Fashion** event brought the Rajasthan Royals cricket team to Poornima University for a second Meet and Greet session. This interaction included a Q&A session, felicitation of students and teachers, and a celebration of the creative synergy between sports and design.

Future Vision and Dean's Message

Looking forward, the Faculty of Design and Arts envisions further strengthening its position as a leader in design education. The department plans to introduce new programs, expand international collaborations, and focus on sustainable design practices.

As Dr. Jitendra Sharma, Dean of FDA, remarked, "Design education is the need of the hour. Our mission is to cultivate design thinking in young minds and prepare them to excel in their chosen fields." His words serve as a guiding light for the faculty and students as they continue their journey of innovation and excellence.

Through its blend of academic rigor, hands-on learning, and cultural engagement, FDA exemplifies Poornima University's commitment to holistic education. The department remains steadfast in its pursuit of nurturing creative professionals who will shape the future of design and arts.

<h1>Faculty of Innovation, Research, and Entrepreneurship (FIRE)</h1>

The Faculty of Innovation, Research, and Entrepreneurship (FIRE) at Poornima University exemplifies the spirit of creativity and enterprise. Established in collaboration with the GCEC Global Foundation, FIRE is dedicated to cultivating a generation of innovative thinkers and entrepreneurial leaders. Through experiential learning, cutting-edge curricula, and robust industry connections, FIRE prepares students to turn their ideas into impactful ventures, contributing to a brighter entrepreneurial future.

This year, the publications marked another milestone in showcasing the faculty's achievements. Dean (I/C) and Head of Department, Dr. CA Pooja Gupta, expressed gratitude to the editorial team and highlighted the faculty's commitment to fostering innovation, teamwork, and practical learning.

Academic Initiatives and Skill Development

FIRE's academic approach focuses on case-study-based and experiential learning. Several innovative programs were introduced this year to enhance students' entrepreneurial and professional skills.

1. **Value-Added and Ability Enhancement Courses**
   - **Heritage Business Analysis (Jaipur Darshan):** This course combined cultural appreciation with practical business insights, allowing students to analyze the economic and managerial aspects of heritage tourism through visits to iconic landmarks like Amber Fort and Jantar Mantar.
   - **Fundamental English (AEC):** Designed to strengthen language skills, this course emphasized grammar, vocabulary, public speaking, and group discussions, boosting students' confidence and communication abilities.
2. **Orientation & Young Leadership Programme (YLP):** This comprehensive program equipped the 2023 batch with essential skills such as personality development, email writing, office automation, and communication. Conducted by external experts, YLP provided students with the tools to excel in internships and leadership roles.
3. **MOOCs and Certifications:** To promote self-paced learning, students participated in Massive Open Online Courses (MOOCs) on topics such as "Foundation of Accounting & Finance" and "Communicative English." Additionally, a university-level MOOC exam ensured the applicability of learned skills.
4. **Industry Engagements:** FIRE hosted guest lectures and workshops by industry leaders, including sessions by Mr. Rohan Rajvanshi (ACCA) and Mr. Girish Konkar (Leadership Catalyst). Students also attended an ACCA training workshop in Delhi, enhancing their understanding of global business practices.

Entrepreneurship and Innovation Highlights

The entrepreneurial spirit at FIRE was evident through the remarkable achievements of its students this year.

1. **Startups Launched by Students**
   - **Industrifyy (Samarth Arora):** A platform simplifying industrial product procurement with user-friendly features and high-quality services.
   - **Jhanvi Blocks (Bharat Shukla):** A startup blending traditional ethnic handicrafts with modern style to create premium apparel.
   - **Woodyss (Preksha Jain):** Focused on sustainability, this venture replaces plastic with handcrafted wooden alternatives.
   - **Decadeup (Utkarsh Bansal):** A B2B lead generation agency catering to IT and marketing firms.
   - **Jewelrique (Dhruv Soni):** Offering affordable and customizable 3D-printed jewelry for fashion-forward individuals.
2. **Hackathons and Competitions**
   A 48-hour **Entrepreneurial Hackathon** at the FIRE campus in Sitapura inspired students to develop innovative business ideas. Additionally, students excelled in national competitions:
   - **Equity Edge Competition (PGDAV College, Delhi University):** FIRE students secured the top position.
   - **CFA Scholarship:** Mohit Prajapat received the prestigious CFA Institute Scholarship.
3. **Internships and Industry Exposure**
   Students gained valuable experience through internships, such as Raj Khandelwal and Manasva Soni's roles with the Rajasthan Royals IPL team. These opportunities bridged the gap between academic learning and practical application.

Experiential Learning and Campus Activities

FIRE places a strong emphasis on holistic learning, combining academic rigor with practical exposure and personal growth.

1. **FIRE Campus Launch**
   Poornima University announced the addition of new graduation courses under FIRE, solidifying its position as a center for entrepreneurial learning. Fast-track classes and workshops were also introduced for transferred BBA Entrepreneurship students to bring them up to speed with EP concepts.
2. **Experiential Programs**
   - **Language Lab:** Part of the AEC course, this initiative improved students' language proficiency, essential for professional success.
   - **Yoga & Pranic Healing Sessions:** Organized under Health & Fitness Management, these sessions promoted physical and mental well-being.
3. **Annual Events and Exhibitions**
   - **Jaipur Darshan:** Students analyzed heritage business models during this cultural tour.
   - **Young Leadership Programme (YLP):** Aimed at equipping students with leadership and managerial skills.

Vision for the Future

Looking ahead, FIRE is committed to refining its curriculum to align with emerging business trends and equipping students with the latest tools and technologies. By

fostering innovation and entrepreneurship, the faculty envisions its students making significant contributions to the global economy and society.

Dean's   **Message**
"Our goal at FIRE is to empower students with the skills and mindset to excel in entrepreneurship, finance, and international business. I am proud of our students' achievements and deeply grateful to our faculty for their unwavering commitment to fostering a culture of innovation and excellence."
— *Dr. CA Pooja Gupta, Dean (I/C) & HOD, FIRE*

Through its initiatives, achievements, and forward-looking vision, the Faculty of Innovation, Research, and Entrepreneurship continues to uphold Poornima University's mission of nurturing future leaders who will drive positive change across industries and communities.

Faculty of Science & Humanities

The Faculty of Science and Humanities (FSH) at Poornima University continues to provide a strong foundation in applied sciences and humanities, equipping students with practical knowledge and critical thinking skills. With a commitment to fostering academic and personal growth, FSH emphasizes a blend of theoretical understanding and experiential learning.

Recognizing learning as a lifelong process, FSH conducts semesterly induction programs to enhance faculty skills and familiarize students with outcome-based education. Its state-of-the-art laboratories and research facilities, such as the advanced research lab (GRID) and Centers of Excellence in Water and Solar Energy, reflect the faculty's dedication to innovation. Humanities students also benefit from engaging in drama workshops, technical writing courses, and numerous extracurricular activities that prepare them for dynamic careers.

Academic and Research Excellence

FSH prioritizes academic rigor and research, hosting conferences, workshops, and expert sessions to stimulate intellectual curiosity.

1. **International Conferences**
   - The **International Conference on Methods, Aesthetics, Genres in Communication, Language, and Literature**, held in collaboration with ELT@I Jaipur Chapter, was a flagship event. Esteemed speakers, including Prof. Sudha Rai and Dr. Anuradha Marwah, shared their insights on theater studies, innovative teaching practices, and semiotics, fostering professional development and collaborative learning.
   - The **National Conference on Emerging Trends in Water Quantity & Quality Management-IV (ETWQQM-2024)** brought together researchers and practitioners to discuss sustainable water management solutions.
2. **Expert Sessions and Seminars**
   - An expert session on **Mathematical Modeling in Science and Engineering** (September 27, 2023) highlighted its applications in solving real-world challenges. Distinguished speakers shared innovative work on modeling and simulation, emphasizing its significance in scientific and engineering domains.
   - The **National Mathematics Day** celebration on December 19, 2023, explored Vedic Mathematics' timeless techniques and their relevance to modern education.
3. **Workshops and Skill Development**
   - The **Technical Writing Workshop** (September 27 – October 18, 2023) covered content creation, business writing, and academic writing. Led by experts such as Ms. Payal Saini and Dr. Prerna Srivastava, it equipped participants with valuable communication skills.
   - The **"English Made Easy" Course** (October 4–18, 2023) focused on grammar, vocabulary, and presentation skills, fostering language proficiency among participants.

Holistic Development and Extracurricular Engagement

FSH also emphasizes personal growth and cultural enrichment through unique initiatives:

1. **Life Management Session**
   Conducted on October 17, 2023, this session focused on life management techniques, including time management, effective communication, and leadership. Students gained practical tools to navigate challenges and pursue fulfilling futures.
2. **Meditation and Pranayama Session**
   Hosted on November 24, 2023, this session emphasized physical and mental well-being. Led by Yoga Faculty, Mr. Abhishek Singh Naruka, the session covered posture exercises, relaxation techniques, and breathing practices, fostering a sense of community and holistic development.
3. **Exploring Theater**
   A visit to the **Jairangam Jaipur Theater Festival** (December 15, 2023) offered students a firsthand exploration of theatrical artistry. Performances like "Vo Ladkiyo Wala Natak" sparked critical thinking and cultural appreciation.
4. **Workshop on Growing Together**
   This transformative session focused on fostering a culture of giving within academic institutions. Through interactive activities and meditation, participants developed empathy and communication skills essential for professional success.

Student Achievements and Opportunities

FSH takes immense pride in its students' accomplishments, which reflect the faculty's dedication to nurturing talent:

1. **Placements and Internships**
   o Two B.Sc. students and three B.A. students from the 2023 batch secured placements in reputed organizations.
   o Summer training opportunities for second-year students, in collaboration with renowned industries, provided hands-on exposure to practical applications.
2. **National Representation**
   o **National Environment Youth Parliament (February 11, 2024):** Thrishanth Kumar represented Rajasthan at this prestigious event, engaging in debates on critical environmental issues.
3. **Creative and Cultural Recognition**
   o The National Mathematics Day event celebrated mathematical innovation and interdisciplinary applications.
   o Students' participation in theatrical and literary events showcased their creativity and cultural engagement.

Future Vision

Looking ahead, FSH is set to expand its academic offerings with the launch of the **M.Sc. Mathematics program** in the upcoming session. The faculty envisions

continuing its journey of academic and research excellence while providing students with opportunities for personal and professional growth. By fostering partnerships with industries and organizing impactful events, FSH aims to enhance its role in shaping socially responsible and skilled graduates.

Dean's **Message**
"As we reflect on the achievements of the past year, I extend my heartfelt gratitude to the dedicated faculty and talented students who make FSH a beacon of academic and cultural excellence. Together, we will continue to innovate, inspire, and contribute meaningfully to society."
— *Dr. Priti Kaushik, Dean, Faculty of Science & Humanities*

Through its holistic approach to education, research, and personal development, the Faculty of Science and Humanities remains committed to Poornima University's mission of fostering leaders who are well-rounded, innovative, and socially responsible.

Faculty of Public Health (FPH)

The Faculty of Public Health (FPH) at Poornima University is a testament to the dedication and excellence of the university's community. Since its inception in 2019, FPH has remained committed to nurturing skilled public health professionals who are equipped to address pressing health challenges and foster community well-being.

With a vision to deliver quality education and holistic development, the faculty emphasizes values like perseverance, integrity, and human ethics. At FPH, we strive not only to produce competent professionals but also responsible and well-rounded citizens for the nation. The faculty's dedication to diversity, equity, and inclusivity ensures that students receive a transformative learning experience while preparing to excel in their careers.

Academic and Experiential Learning Initiatives

FPH emphasizes hands-on learning, community engagement, and interdisciplinary approaches to education. This year saw several impactful initiatives aimed at strengthening students' knowledge and practical skills.

1. **Hospital Visit to J.K. Loan Hospital**
   On November 6, 2023, students visited J.K. Loan Hospital, Jaipur, gaining valuable insights into healthcare facility operations. Guided by Dr. Sushant Bohra, the visit provided a real-world perspective on public health challenges and solutions, bridging the gap between theoretical knowledge and practical application.
2. **Seminar on Global Health Innovation**
   A seminar on "Accelerating Global Health Innovation through Transdisciplinary Frameworks and Design Thinking Methodology" was conducted on July 24, 2023. Led by Dr. Shriya Srinivasan, Assistant Professor at Harvard University, the event explored innovative approaches to addressing global health challenges. Attended by healthcare professionals, researchers, and students, the seminar highlighted the importance of design thinking in health innovation.
3. **Research Methodology Seminar**
   A two-day seminar on March 28-29, 2024, provided postgraduate students, young faculty, and researchers with insights into research ethics, writing impactful research papers, and crafting proposals. Sessions by experts like Dr. Dipanjan Sujit and Dr. Gregory Fantt equipped participants with essential skills for conducting ethical and robust research.
4. **Project-Based Learning on Mental Well-Being**
   From August to December 2023, a project-based initiative at the Community Health Centre, Vidhani Village, Jaipur, focused on mental well-being. The program aimed to raise awareness about mental health, reduce stigma, and encourage proactive mental health measures. Students applied their learning to address real-world issues, gaining practical insights into public health management.

Community Engagement and Awareness Programs

FPH actively engages with the community to promote health awareness and foster sustainable practices.

1. **COVID-19 Vaccination Awareness**
   On March 1, 2023, an awareness program was conducted at Muhana Mandi, Jaipur, in collaboration with Dhara Sansthan. Fifteen students, led by Dr. Sushant Bohra, worked to increase vaccine uptake, address hesitancy, and promote public health. This hands-on experience in public health communication and program management was invaluable for students.
2. **Climate Change Awareness Program**
   Organized on September 16, 2023, at a primary school in Kishanpura, Jaipur, this program emphasized sustainable practices and community participation. Students engaged with local communities, highlighting the importance of resilience and knowledge in combating climate change.
3. **Cancer Awareness Activity**
   In collaboration with Bhagwan Mahaveer Cancer Hospital, a program on November 1, 2023, educated the community about cancer prevention, early detection, and healthy lifestyles. Students successfully raised awareness about cancer symptoms and preventive measures.
4. **Organ Donation Awareness**
   On August 16, 2023, FPH hosted a session on organ donation, led by Dr. Satyanarayan Dholpuria, Joint Director, Organ Donation, Ministry of Health and Family Welfare. The event addressed myths surrounding organ donation and emphasized its importance, leaving participants with increased awareness and a positive attitude.

Skill Development and Mental Health Initiatives

FPH also focuses on life skills and mental health, ensuring the holistic development of students.

1. **Mental Health Awareness Program**
   Conducted on November 6, 2023, this program, led by clinical psychologist Dr. Trupti Desai, encouraged students to explore mental health issues through creative discussions and presentations. Participants gained practical tools to address mental health challenges and promote well-being.
2. **Workshops on Well-Being**
   o **Meditation and Pranayama Session (November 24, 2023):** A rejuvenating session at Central Park focused on relaxation techniques and self-care under the guidance of Yoga Faculty, Mr. Abhishek Singh Naruka.
   o **Growing Together Workshop:** This interactive workshop, led by Sister Ritu Thakkar, explored the dynamics of collaboration and empathy in academic institutions, fostering a culture of giving and mutual respect.

Student Achievements and Impact

The achievements of FPH students reflect their dedication and the faculty's commitment to excellence:

1. **Representation at National Events**
   - **National Environment Youth Parliament:** Thrishanth Kumar represented Rajasthan at this prestigious event in Nagpur on February 11, 2024, contributing to discussions on critical environmental issues.
2. **Practical Engagement**
   - Students gained valuable experience through participation in community programs, workshops, and industry collaborations.
   - Hands-on exposure at hospitals and health centers helped students bridge theoretical knowledge with real-world application.

Future Vision

Looking ahead, the Faculty of Public Health aims to expand its academic programs, enhance research capabilities, and strengthen community outreach initiatives. The department remains committed to producing skilled public health professionals who contribute meaningfully to society.

Message   from   Faculty   Leadership
"Our mission is to empower students with the skills, knowledge, and values needed to excel in public health. As we reflect on this year's achievements, we extend our heartfelt gratitude to our dedicated faculty and students for their unwavering commitment to excellence. Together, we will continue to create a healthier and more equitable   world."
— *Dr. Deepti Kashyap, Dr. Pallavi Singh, and Dr. Bhumika Rathore*

Poornima Institute of Hotel Management

The Poornima Institute of Hotel Management (PIHM) continues to set benchmarks in hospitality education by delivering a high-quality learning experience. With a mission to prepare students for success in the dynamic hospitality industry, PIHM combines academic rigor, practical exposure, and personal development to nurture confident, industry-ready professionals. The institute emphasizes values such as perseverance, positivity, and constructive work ethics, ensuring that students emerge as skilled professionals and responsible individuals ready to contribute to the growth of the hospitality sector.

Through diverse academic and extracurricular initiatives, PIHM fosters holistic development among its students. The faculty's dedication to excellence is reflected in the wide array of workshops, events, and experiential learning opportunities provided throughout the year.

Academic Excellence and Practical Exposure

1. **Brewery Plant Visit**
   On November 6, 2023, PIHM organized a visit to a state-of-the-art brewery plant for second-year B.Sc. H&HA students. Led by Principal Mr. K.K. Parihar and hosted by Manager Mr. Ajay Sharma, the visit offered insights into beer brewing styles and processes. Students gained a deeper understanding of grain selection, fermentation techniques, and the role of hops and yeast in brewing, enhancing their knowledge of beverage production.
2. **Cocktails and Mocktails Session**
   A hands-on session on mixology was conducted at the Hotel Intercontinental, Jaipur, on April 5, 2024. With guidance from experts like Mr. Prashant Patil, students learned to craft drinks such as Long Island Iced Tea, Cosmopolitan, and Virgin Mojito. The session provided valuable exposure to bartending techniques and drink presentation, crucial for aspiring hospitality professionals.
3. **ITC Rajputana Visits**
   - **Laundry Visit (February 8, 2024):** Students explored on-premises laundry operations, including high-tech washers, dryers, and valet services, under the mentorship of Mr. Prateek Prabhakar, L&D Manager at ITC Rajputana.
   - **Fire Safety Workshop (January 30, 2024):** Conducted by ITC Rajputana's Chief Engineer, this session educated students on fire prevention, hazard identification, and evacuation protocols.
4. **Grooming Workshop**
   Collaborating with experts from Lakme Academy, a grooming workshop was conducted to highlight the importance of professional appearance in hospitality. Students learned hair styling, makeup techniques, and grooming standards essential for creating a positive and professional impression.

Skill Development and Industry Insights

1. **Team   Building   Activities**
   As part of the orientation program on July 21, 2023, PIHM hosted a team-building session with Mr. Sahil Dhingra, L&D Manager at Marriott Hotel, Jaipur. Students engaged in activities designed to enhance teamwork, problem-solving skills, and leadership abilities—key traits for hospitality professionals.
2. **Culinary Excellence Sessions**
   o **Chef Anvir's Demo (August 18, 2023):** Master Chef Anvir Singh from ITC Rajputana conducted a live demonstration of Dampukt cuisine, sharing invaluable tips to elevate culinary skills.
   o **Street Food Festival:** Students showcased their culinary talents through live cooking stations featuring dishes like Chola Bhatura, Dal Makhani, and Soya Chaap Rolls. This event encouraged teamwork, leadership, and operational management.
3. **Diversey   Chemical   Session**
   A session led by Mr. Ankit Vishnoi from Diversey Ltd. educated students on eco-friendly cleaning and hygiene solutions. The emphasis on sustainability, water conservation, and waste management aligns with modern hospitality practices, preparing students for environmentally responsible roles.

Cultural and Community Engagement

1. **Christmania   2023**
   PIHM celebrated the festive spirit of Christmas by serving snacks to Poornima Pathshala students, fostering community connections. The event, attended by university dignitaries, emphasized the joy of giving and sharing during the holiday season.
2. **Cake   Mixing   Ceremony**
   On November 17, 2023, a pre-Christmas event was organized where students, faculty, and dignitaries participated in a traditional cake mixing ceremony. This activity not only marked the beginning of the festive season but also provided students with insights into event management and culinary traditions.
3. **International   Housekeepers'   Week   (September   14-15,   2023)**
   PIHM celebrated this global event with competitions like Creativity Decor and Housekeeping Mastermind. Guest speakers, including Mr. Prashant Patil from Crowne Plaza, emphasized the importance of housekeeping in the hospitality industry. The event concluded with a grand finale attended by esteemed judges and faculty members.

Student Development and Achievements

1. **Industry   Engagements**
   PIHM students actively participated in events and workshops that provided real-world exposure to hospitality operations. Visits to renowned establishments like ITC Rajputana and sessions with industry leaders ensured students were well-versed in industry trends and best practices.
2. **Practical Learning through Events**

- o **Street Food Festival:** Students gained hands-on experience in managing culinary events, from menu planning to live cooking and customer service.
- o **Cocktail and Mocktail Preparation:** Practical sessions in mixology equipped students with the skills to excel in beverage service.
3. **Workshops on Hospitality Essentials**
   Regular workshops and skill-building sessions focused on key areas such as fire safety, laundry operations, grooming, and team-building, providing a comprehensive learning experience.

Future Vision

PIHM remains steadfast in its mission to prepare students for leadership roles in the hospitality industry. By integrating academic excellence, industry exposure, and personal development, the institute aims to produce graduates who are confident, skilled, and ready to make meaningful contributions to the hospitality sector.

Message from the Director
"At PIHM, we strive to provide students with the best possible learning opportunities, preparing them for the demands of the hospitality industry. I am proud of the achievements of our students and faculty and look forward to continuing our journey of excellence in hospitality education."
— *Mr. Sunil Bhargava, Director, PIHM*

The Poornima Institute of Hotel Management continues to be a trailblazer in hospitality education, shaping the future of the industry through its focus on skill development, experiential learning, and a commitment to excellence.

Faculty of Management and Commerce (FMC)

The Faculty of Management and Commerce (FMC) at Poornima University has established itself as a leader in providing a robust foundation for managerial and commercial education. Comprising three departments—MBA, BBA, and B.Com—the faculty is dedicated to producing skilled, confident, and ethically grounded professionals who can contribute meaningfully to society and excel in their chosen fields. With an emphasis on academic rigor, practical exposure, and personal development, FMC remains committed to empowering students with the tools they need to thrive in a rapidly changing global environment.

Academic Excellence and Programs

1. **Master of Business Administration (MBA)**
   Since its inception, the MBA department has been a center for creating new knowledge, fostering intellectual growth, and producing a talented pool of managerial professionals. Faculty members are committed to providing an optimal learning environment, ensuring that students are prepared to tackle contemporary business challenges with confidence and competence.
2. **Bachelor of Business Administration (BBA)**
   The BBA program has witnessed consistent growth, offering innovative professional electives such as Digital Marketing, Business Analytics, and Banking and Finance. The department's student-centered teaching methodology focuses on holistic development, enabling students to face life's challenges with a balance of academic excellence and extracurricular involvement.
3. **Bachelor of Commerce (B.Com)**
   The B.Com department focuses on providing academic excellence in accounting, banking, and finance while equipping students with value-added programs, ability enhancement courses, and skill development workshops. Its strong reputation attracts leading companies like Piramal Finance, Exide, and Urban Ladder for campus placements, while many students also pursue higher studies.

Experiential Learning and Industry Exposure

1. **Parliament Visit**
   On August 4, 2023, students from the B.Com and BBA departments visited the Parliament House in New Delhi to gain practical insights into India's legislative processes. This educational excursion deepened their understanding of parliamentary democracy, governance, and the political framework that shapes the nation.
2. **Census Department Visit**
   On September 12, 2023, BBA students visited the Census Department in Jaipur. They engaged in discussions with professionals, including IAS Bishnu Charan, on the significance of census data in policymaking, enhancing their understanding of data collection and its societal implications.
3. **Industrial Visit to Lehar Footwear Ltd.**
   BBA students visited Lehar Footwear on August 2, 2023, to explore the managerial and operational aspects of medium-scale manufacturing units.

Observing live shop-floor operations and interacting with managers offered valuable lessons in manufacturing and distribution processes.

4. **Management** **Fest**
FMC hosted a vibrant Management Fest on February 10, 2024, featuring activities such as Financial and Stock Trading Awareness, games, and a food zone. Students gained hands-on experience in negotiation, communication, and entrepreneurship, while innovative stalls provided insights into inventory management and costing.

Student Development and Cultural Activities

1. **Rhythmic** **Beat** **3.0**
An inter-section cultural competition for BBA and B.Com students was held on September 6, 2023. The event featured folk dance, western dance, duet singing, and a fashion show, promoting teamwork and confidence-building. Chief Guest Ms. Megha Jangid inspired students with her motivational speech.
2. **Women** **Empowerment** **Session**
Organized on October 3, 2023, this session featured Princess Diya Kumari, Deputy Chief Minister of Rajasthan, as the keynote speaker. The event focused on entrepreneurial development for young women, featuring insights from MSME women entrepreneurs.
3. **Cheerio** **Farewell** **Party**
On April 29, 2024, final-year BBA and B.Com students were bid farewell with a grand event themed "Black and Golden." The occasion was graced by Mr. Chandan Sen, Senior Director (IT) at the Ministry of Electronics and IT, and Ms. Somya Gupta, Miss India Glam Winner 2024, who shared their inspiring journeys.
4. **Alumni** **Session**
On October 12, 2023, BBA alumni and Adobe Manager, Mr. Aman Sanjay, conducted a session on "Career After College." He emphasized the importance of communication skills, personal grooming, and participation in extracurricular activities for professional success.

Student Achievements

FMC students demonstrated exceptional achievements in academics, sports, and cultural activities:

1. **Academic Excellence**
   - Reshika Gupta earned an NPTEL Online Certification in International Business with an Elite + Silver Medal and was among the top 1% of toppers.
   - Ansh Kumar and Pratham Arora received Best Paper Awards at prestigious conferences.
2. **Sports and Cultural Achievements**
   - Harshvardhan Singh Raad won a Gold Medal in Men's Football at Lakshya and a Bronze Medal in Western Dance.
   - Madhvendra Singh Rajawat represented Team India in the Football Championship 2023 and qualified for the World Championship in Kuala Lumpur.

3. **Other Distinctions**
    - Lakshita Dhanopia secured the highest placement package of ₹12 LPA at Shree Fabrics.
    - Kartik Bothra set a world record for holding the largest collection of currencies, recognized by Harvard World Records.

Skill Development and Career Growth

1. **Career   Growth   Session**
   On April 6, 2024, a session by Ms. Vanshika Jain, a Soft Skills Trainer, covered topics such as LinkedIn visibility, professional dressing, and delayed gratification. Students gained practical tools to enhance their corporate readiness and personal development.
2. **Value-Added   Courses**
   The faculty organized programs focused on emerging topics like Financial and Stock Trading Products, entrepreneurship, and communication skills, ensuring students are well-prepared for professional challenges.

Future Vision

The Faculty of Management and Commerce remains steadfast in its mission to provide world-class education while fostering innovation, leadership, and societal responsibility. By continuously evolving its curriculum and emphasizing experiential learning, FMC aims to produce graduates who are not only academically proficient but also industry-ready.

Message   from   the   Faculty   Leadership
"We are proud of our students' achievements and remain committed to providing an enriching learning environment. With a focus on academic excellence, industry exposure, and personal growth, FMC continues to nurture leaders who will drive meaningful   change   in   their   professions   and   society."
— *Dr. Urvashi Bhambhoo (MBA), Prof. Monika Khatri (BBA), Dr. Gaurav Malpani (B.Com)*

Through its focus on academic rigor, skill development, and cultural engagement, the Faculty of Management and Commerce exemplifies Poornima University's commitment to shaping future leaders and innovators in the business and commerce domains.

Faculty of Engineering and Technology

The Faculty of Engineering and Technology (FET) at Poornima University is committed to fostering academic excellence, innovation, and a vibrant research environment. With a focus on equipping students with industry-relevant skills and nurturing critical thinking, FET strives to develop professionals who are ready to address global challenges in engineering and technology. Beyond academics, FET emphasizes holistic development through strategic alliances, community building, and a supportive learning environment that prepares students for success in a rapidly evolving world.

Academic Excellence and Skill Development

1. **Python in Engineering and Technology Workshop**
   A two-day workshop on the application of Python in engineering and technology was held from December 15-16, 2023, by the Department of Electrical & Electronics Engineering. Designed for beginners and intermediate programmers, the event provided hands-on training in Python programming and its use in solving real-world engineering problems. The workshop aimed to promote programming literacy and enhance participants' problem-solving skills.
2. **Seven-Day Mechanical Engineering Workshop**
   The Department of Mechanical Engineering conducted a week-long workshop focusing on foundational principles and practical applications of mechanical engineering. The event included theoretical sessions, hands-on activities, and CAD software training, enabling participants to bridge the gap between academic concepts and real-world design challenges.
3. **Launch of ASHRAE Student Chapter**
   On February 24, 2024, Poornima University inaugurated its ASHRAE (American Society of Heating, Refrigerating, and Air-Conditioning Engineers) Student Chapter. This initiative underscores FET's commitment to professional development, with industry experts sharing insights into advancements in HVAC systems and engineering practices.
4. **Green Building Certification & IGBC Initiatives**
   o On September 18, 2023, the IGBC Jaipur Chapter hosted a session on sustainable building practices, featuring experts such as Mr. Anand Mishra and Dr. Shivraj Dhaka.
   o The IGBC Student Chapter at Poornima University launched on September 14, 2023, promoting environmental stewardship through expert lectures, green building certifications, and awareness drives.
   o As part of the Harit Prem Bharat Mahotsav 2024, the chapter organized a **Zero Plastic Drive** on January 26, 2024, to encourage sustainability and environmental consciousness.

Industry Engagement and Experiential Learning

1. **Industrial Visits**
   o **MSME Bhiwadi (February 19, 2024):** Students explored automation and digitalization in industries like textiles, automotive, electronics, and

chemicals, gaining insights into production processes and workforce development strategies.

- o **GAIL Mansarampura (February 20, 2024):** Students visited the Gas Authority of India Limited to learn about advanced gas distribution systems and safety measures.
- o **Renewable Energy Expo (October 5, 2023):** A visit to Greater Noida introduced students to renewable energy technologies and innovations in sustainable power generation.

2. **MNIT Jaipur Labs Visit**
On January 24-25, 2024, students toured the state-of-the-art Earthquake and Sustainability Lab at MNIT Jaipur. This visit provided exposure to seismic research and sustainable engineering practices, emphasizing the importance of resilience and eco-friendly technologies in modern engineering.

3. **Drone Club Inauguration**
The Drone Club was inaugurated on August 10, 2023, with Lt. Gen A. Arun as the Chief Guest. The event highlighted the importance of drone technology in sectors like agriculture, defense, and disaster management, encouraging students to explore innovations in unmanned aerial systems.

4. **Robotics and IoT Club Launch**
On September 15, 2023, Poornima University launched the Robotics and IoT Club to inspire students to explore emerging technologies. The club provides a platform for innovation and collaboration, equipping students with skills in robotics and the Internet of Things.

Cultural and Community Initiatives

1. **Vishwakarma Pooja Celebration**
On September 16, 2023, the Department of Mechanical Engineering celebrated Vishwakarma Pooja. The event included traditional rituals and highlighted the significance of Lord Vishwakarma as the divine architect, fostering a sense of respect for tools, machinery, and engineering practices.

2. **Environmental Awareness**
FET actively promotes sustainability through initiatives like the **Zero Plastic Drive**, IGBC Student Chapter activities, and workshops on green building practices. These efforts reflect the faculty's dedication to environmental stewardship and the promotion of sustainable engineering solutions.

Student Achievements and Professional Growth

1. **Skill Development and Certifications**
FET students regularly participate in workshops and seminars to enhance their technical skills and industry knowledge. Programs such as Python training, CAD software workshops, and green building certification sessions provide valuable exposure to emerging trends and technologies.

2. **Collaborations with Industry Experts**
Events like the ASHRAE Student Chapter inauguration and the Drone Club launch foster industry-academia collaboration, enabling students to interact with professionals and gain insights into real-world applications of their learning.

3. **Research and Innovation**
Through initiatives like the MNIT Jaipur lab visits and renewable energy expos,

FET emphasizes cutting-edge research and innovation, encouraging students to contribute to advancements in engineering and technology.

Future Vision

The Faculty of Engineering and Technology remains steadfast in its mission to produce skilled engineers who can tackle global challenges with innovation and expertise. Looking ahead, FET aims to:

- Expand industry collaborations to provide students with exposure to cutting-edge technologies.
- Enhance research capabilities through partnerships with academic and industrial organizations.
- Promote sustainability and environmental consciousness in all aspects of education and practice.

Message   from   the   Dean
"Our commitment to excellence in engineering education is unwavering. Through academic rigor, practical exposure, and a focus on research and innovation, we aim to equip our students with the skills and mindset needed to excel in their careers and contribute to society. Together, we will continue to push beyond limits."
— *Dr. Ankush Jain, Dean, Faculty of Engineering and Technology*

With its focus on academic excellence, innovation, and sustainability, the Faculty of Engineering and Technology at Poornima University continues to shape future leaders in engineering and technology, contributing to a better and more sustainable world.

Faculty of Computer Science & Engineering (CSE)

The Faculty of Computer Science & Engineering (CSE) at Poornima University continues to push the boundaries of technological innovation, academic excellence, and industry collaboration. With a mission to empower students with cutting-edge skills and a forward-thinking mindset, the faculty aims to produce future leaders who can navigate and shape the evolving technological landscape. Through a curriculum grounded in fundamentals and enriched with advanced analytical and multidisciplinary approaches, CSE strives to transform students into professionals equipped to address real-world challenges.

Under the leadership of Dean Dr. Ajay Khunteta, the faculty focuses on fostering collaboration, nurturing intellectual curiosity, and forging strong industry connections. With initiatives ranging from research conferences to skill development workshops, the faculty remains committed to excellence and innovation in computer science education.

Academic and Research Excellence

1. **International Conferences on AI**
   - **ICRAAI-2023**: Held on December 15-16, 2023, the International Conference on Recent Advancements in Artificial Intelligence brought together researchers from countries like Oman, UAE, Canada, and India. The event featured keynote talks, including a compelling analysis by Dr. Richi Nayak from Queensland University of Technology, Australia, comparing traditional AI and generative AI.
   - **ICRAAI-2024**: Organized on February 9-10, 2024, this conference aimed to foster international research collaboration. Keynote addresses by experts like Mr. Ankit Rawat and Mr. Sandeep Jain provided insights into applying research findings across disciplines. Selected papers were published in the Journal of Discrete Mathematical Sciences & Cryptography (JDMSC).
2. **Project Expo - PRAYOGAM 2024**
   On National Science Day (February 28, 2024), the faculty hosted its flagship technical exhibition, PRAYOGAM 2K24. With over 223 projects displayed by 1200+ students from multiple disciplines, the event highlighted innovations in AI, Data Science, IoT, Cybersecurity, and Mobile Applications. Chief Guest Dr. Mukul Gupta commended the students' efforts, emphasizing the significance of their work in solving real-world problems.
3. **Faculty Development and Workshops**
   To stay at the forefront of technological advancements, the faculty organized several faculty development programs (FDPs) and workshops:
   - **Data Science with R (July 2023)**
   - **Full Stack Development (August 2023)**
   - **Cybersecurity & Ethical Hacking (March 2024)**
   - **Web 3 and Open Source (October 2023)**
     These programs ensured that faculty and students alike remained updated on emerging technologies and industry trends.

Skill Development and Industry Engagement

1. **SAP   Hackfest   2024**
   The SAP Hackfest on April 8, 2024, attracted 60 teams from across India. This hackathon encouraged participants to develop creative solutions to real-world problems using innovative technologies. Esteemed jury members provided valuable feedback, inspiring students to think outside the box and push their boundaries.

2. **HR   Conclave   on   AI**
   On March 8, 2024, the faculty organized an HR Conclave in collaboration with PU-INCENT and the Center of Excellence in Machine Learning Applications for Society. The discussion focused on challenges and opportunities for students in the era of artificial intelligence, empowering them with insights into the evolving job market.

3. **Industrial Visits**
   - **Software Technology Parks of India (STPI), Jaipur**: MCA students visited STPI on November 17-20, 2023, where they gained hands-on exposure to server management, IoT, and the interconnected ecosystem of data and devices.
   - **MNIT Jaipur**: A visit to MNIT's Earthquake and Sustainability Lab (January 2024) provided insights into seismic research and sustainable practices, showcasing cutting-edge technologies driving innovation.

Student Achievements and Placements

1. **Summer   Internships**
   Students from the B.Tech CSE program secured internships with top organizations, with Gargi receiving the highest-paid internship offer of ₹1.25 LPM at Microsoft. These opportunities equipped students with valuable industry experience and advanced technical skills.

2. **Placements**
   The faculty achieved remarkable placement success, with MCA students receiving offers from prestigious companies such as Chegg India, TechPlus Talent, WIPLs, and Talent Serve. Highlights include:
   - Mansi Mohan Lal: ₹9.6 LPA (Chegg India)
   - Chandan: ₹7 LPA (Chegg India)
   - Arya Sharma: ₹7 LPA (TechPlus Talent)

3. **Achievements in Competitions**
   - Students secured 2nd Prize in the Data Analyst Champions at Pacific University, Udaipur.
   - CSE students won the 2nd position in Manipal University's Sport Fest, showcasing their talents beyond academics.

Cultural and Community Initiatives

1. **Promoting   Diversity   in   IT**
   A seminar on September 14, 2023, emphasized the importance of preparing

the next generation of IT technologists. The event featured discussions on global trends in IT education and career opportunities.

2. **Workshops and Programs**
   The faculty hosted workshops on emerging technologies like Cloud Computing, Git & GitHub, and Angular and React JS, ensuring students are well-versed in modern tools and frameworks.

3. **Collaborative Learning**
   Initiatives like the SAP Hackfest and PRAYOGAM 2K24 fostered collaboration among students, faculty, and industry experts, creating a vibrant ecosystem for innovation and learning.

Future Vision

Looking ahead, the Faculty of Computer Science & Engineering aims to:

- Expand international research collaborations to address global challenges.
- Strengthen industry partnerships to enhance skill development and employability.
- Promote interdisciplinary learning to equip students with a diverse skill set.

Message from the Dean
"Our goal is to provide a transformative experience for every student, equipping them with the skills, knowledge, and confidence to excel in their careers. Together, we will continue to push the boundaries of innovation and make a lasting impact on the world."
— *Dr. Ajay Khunteta, Dean, Faculty of Computer Science & Engineering*

Through its commitment to academic excellence, skill development, and industry collaboration, the Faculty of Computer Science & Engineering at Poornima University continues to shape the next generation of technology leaders who will define the future.

	Ph.D - Public Health

Infrastructure Facilities

Poornima University is renowned for its world - class infrastructure, designed to cater to the diverse needs of students, faculty, and staff. Spread across 32.6 acres with a built-up area of approximately 9.5 lac square feet, the campus provides an environment conducive to academic excellence and holistic development. The facilities at Poornima University include:

1. **Sustainable and Green Campus**
   - Lush green surroundings with over 20,000 plants and trees.
   - Rainwater harvesting systems, sewage treatment plants, and borewells for efficient water management.
   - A 250 KW rooftop solar power plant for energy sustainability.
2. **Academic Excellence**
   - Hi-tech, air-conditioned computer labs set up in collaboration with Microsoft, Celebal, and Mobiloitte.
   - Well-equipped, ventilated, and theatre-style lecture rooms for an enhanced learning experience.
   - High-tech laboratories with the latest equipment and machines.
   - Broad corridors with natural lighting to foster productivity and satisfaction in teaching and learning.
   - Poornima University-iNCENT (Integrated Nodal Centre for Entrepreneurship & Novel Technologies).
   - Member of INFLIBNET Shodhganga for authentic thesis publication and global reach.
   - Three Centres of Excellence focusing on Water, Solar Energy, and Machine Learning (ML).
3. **Student Conveniences and Amenities**
   - 24x7 internet connectivity and Wi-Fi across the campus.
   - A completely cashless system with UPI-enabled payment gateways in accounts, canteens, and general stores.
   - A merchandise store for the university team, Poornima Panthers, a first-of-its-kind in India.
   - Open canteen with "Maggi Hotspot," powered by Nestle India.
   - Dedicated workspace for student bodies, including Poornima Paathshala, the Students' Council, and AIESEC in Jaipur.
   - Gymnasium facilities (separate for boys and girls), synthetic courts for basketball and tennis, volleyball courts, a football ground, table tennis, and other recreational areas.
   - A salon for girls and TV rooms in hostels.
   - Solar water heaters in all hostels for energy-efficient living.
   - On-campus child care center (CRECHE) for faculty and staff children.
   - Two boys' hostels and one girls' hostel on the campus.
4. **Event and Collaboration Facilities**
   - More than five air-conditioned seminar halls with a capacity of 300 for workshops, seminars, and other activities.
   - Infrastructure supporting international collaborations, emerging as a preferred destination for students from across the globe.

5. **Safety and Security**
   - 24x7 CCTV surveillance and security guards across the campus.
6. **Transportation and Connectivity**
   - Comprehensive transport facilities covering the entire Jaipur city.

This robust infrastructure and holistic approach to education position Poornima University as a leading institution fostering innovation, sustainability, and global engagement.

Central Library

The **Central Library** at Poornima University stands as a cornerstone of academic excellence, fostering a culture of knowledge, exploration, and research within the university community. Strategically located in the heart of the campus, it serves as a dynamic hub for learning and intellectual growth.

Resources and Collection

The library boasts an extensive and diverse collection of resources designed to cater to the needs of students, researchers, and faculty members:

- **Books**:
  - Total Volumes: 46,465, encompassing a wide array of disciplines.
  - Distinct Titles: 10,387, ensuring depth and variety in the collection.
- **Print Journals**: Access to 96 journals for contemporary scholarly discourse.
- **E-Journals**: A vast repository of 35,194 e-journals to stay updated with global research trends.
- **Magazines**: 35 magazines catering to varied academic and leisure interests.
- **Theses and Dissertations**: 54 theses and 186 dissertations for in-depth research reference.
- **Multimedia Resources**: 1,869 CDs and DVDs enhancing the learning experience through visual and audio aids.
- **Rare Books**: A collection of 555 rare volumes, preserving historical and literary heritage.

Key Features and Services

- **Digital Integration**:
  - Online search functionality through the TCS ERP system.
  - Registered as an NDLI Club under the **National Digital Library of India** for expanded digital access.
- **Learning Hub**: The library regularly organizes events, exhibitions, and workshops to enhance information literacy, research skills, and academic development.
- **Study Environment**: Offers quiet and well-equipped spaces for focused study and academic reflection.
- **Community Support**: Plays a pivotal role in supporting students and faculty in their academic endeavors, providing essential study materials and research support.

Highlights of 2023-24

- **Library Resources Exhibition and NDLI Quiz Competition**:
  - Organized in collaboration with NDLI from April 5-9, 2024.

- o Recognized dedicated library users and engaged participants:
    - **Best Library Users**: Dr. Sunil Gupta (Dean, Research) and Dr. Chandni Kripalani (Registrar) presented awards.
    - **Maximum Books Issued**:
        - *Shairai Ali* (Reg. No.: 2021/09700)
        - *Kalu Ram Kumawat* (Reg. No.: 2020/09006)
    - **Top Visitors**:
        - *Sneha Krishnani* (Reg. No.: 2021/14319)
        - *Shruti Soni* (Reg. No.: 2023/13600)
    - **NDLI Quiz Winners**: Five participants awarded by Dr. Rakesh Gupta (DSW) and Chief Librarian, Ms. Sunita Pareek.

Transportation Facilities

Poornima University offers a robust and well-coordinated transportation system to ensure convenience and accessibility for students, faculty, and staff. Key highlights include:

- **Comprehensive Fleet**:
    - o Swaraj Mazda buses, two Indica cars, and an ambulance available 24x7 for emergencies.
    - o Buses cover a radial distance of 50 km, providing reliable pick-up and drop-off services.
- **Time Management**: Well-scheduled bus timings ensure seamless access for all commuters.
- **Special Support for Hostellers**:
    - o Free transportation provided throughout the year for coaching classes, including GATE, competitive exams, and programming languages.
- **No Charges for Academic and Non-Academic Activities**:
    - o Free transportation for activities such as:
        - Industrial Visits
        - Annual Fests
        - Campus Recruitment Drives
        - Social Visits
        - Inter-University Competitions
        - Jaipur Darshan

Canteen Facilities

The canteen at Poornima University serves as a vibrant and welcoming space for students to unwind and recharge.

- **Central Location and Spacious Interiors**:
    - o The canteen is situated in the heart of the campus, featuring exquisite interiors and ample seating.
- **Diverse Menu**:
    - o Offers a variety of vegetarian snacks, beverages, and meals at reasonable prices.
    - o Acts as an alternate dining option for students seeking a break from regular mess food.
- **Community Hub**:

- A popular spot for students and staff to engage in conversations while enjoying affordable and tasty snacks.

Mess Facilities

The university mess is an essential facility providing nutritious and hygienic food to students, faculty, and visitors. Key features include:

- **Daily Meals**:
  - Four meals a day: breakfast, lunch, evening refreshments, and dinner.
  - Food prepared under strict hygienic conditions.
- **Dietary Considerations**:
  - The mess serves vegetarian food only and follows a self-service model.
  - The menu is designed to meet students' nutritional needs and caters to varied regional preferences.
- **Dedicated Dining Areas**:
  - Separate dining spaces for boys' and girls' hostels.
- **Focus on Hygiene and Health**:
  - Strict guidelines are followed to maintain the quality and healthiness of meals.

Through its transportation, canteen, and mess services, Poornima University ensures a supportive, convenient, and student-centric campus experience, enriching both academic and personal growth.

Hostel

Hostel life at Poornima University offers students a "home away from home," fostering personal growth, cultural exchange, and academic excellence. With state-of-the-art amenities and a vibrant community atmosphere, the university hostels are designed to provide a secure, comfortable, and enriching living experience for students from diverse backgrounds.

Hostel Infrastructure

- **Separate Hostels**: Dedicated accommodations for boys and girls.
- **Capacity**:
  - *Himalaya Boys Hostel*: Two buildings with a capacity of 700 students.
  - *Gargi Girls Hostel*: One building with a capacity of 330 students.
- **Total Residents**: Around 1,020 students currently reside in the hostels.
- **Facilities**: Daily necessities like gymnasium, parlors, laundries, and more are provided.

Community and Cultural Experience

- Hostels serve as a melting pot of cultures, with students from various states and countries living together.
- Regular celebrations of festivals and cultural traditions promote unity and mutual respect.
- Collaborative activities help students develop teamwork, leadership, and social skills, fostering overall personality development.

- Hostels are known for their lively environment that encourages interaction among students and their seniors.

Academic and Skill Development

Poornima University's hostels focus on the holistic growth of students by organizing:

- Mentor classes and expert lectures.
- Group discussions and mock drives for placement preparation.
- Talent hunts like *Darpan* and sports activities such as *HHPL* (hostel sports league).
- Intra- and inter-hostel competitions for skill enhancement.
- Academic support from faculty and peers, available 24x7.

Salient Features of the Hostels

- Congenial environment conducive to study and personal growth.
- Regular housekeeping and maintenance for a clean and hygienic living space.
- Full access to all sports facilities and gymnasium with modern equipment.
- Hot water through solar water heaters during winters.
- Purified and chilled RO water (available in PF hostels).
- Subsidized items at the canteen and provision store.
- Secure campus with 24x7 security and electricity backup.
- Medical facilities, including an ambulance on call.
- Wi-Fi connectivity for all enabled devices.

Key Benefits for Hostellers

- Better attendance, academic results, and placement records compared to non-hostellers.
- Opportunities to enhance aesthetic, cultural, and intellectual values.
- Active participation in hobby-oriented programs and skill-based activities.
- Improved academic performance through peer learning and faculty guidance.

Poornima University's hostels are designed to nurture a supportive and dynamic environment, ensuring that students excel academically while experiencing a rich and fulfilling campus life.

Achievements in the Sports Arena (2023-24)

Poornima University takes immense pride in fostering a culture of athletic excellence, providing top-notch facilities, dedicated coaching, and a dynamic platform for students to excel in various sports. From traditional sports like football, cricket, and basketball to modern trends such as e-sports, the university ensures holistic development for its students by balancing academics and sports.

Achievements and Highlights

Poornima University has consistently achieved remarkable success in the sports field, securing numerous awards and accolades in the academic year 2023-24:

- **Gold Medals**:

- o All India Inter University American Football (Flag) Championship 2022-23.
- o EPS Spring Classic Royal Central Basketball Championship 2022-23.
- o Senior National American Football (Women) Championship 2023-24.
- o All India Inter University Zonal American Football (Tackle) Championship 2023-24.
- **Silver Medal**:
  - o All India Inter University Zonal American Football (Flag) Championship 2023-24.
- **Bronze Medals**:
  - o All India Inter University Zonal American Football (Tackle) Championship 2022-23.
  - o EPS Basketball Showcase Championship 2022-23.
  - o Senior National American Football (Men) Championship 2023-24.
  - o MOGO Central Division Valorant Championship 2023-24.
  - o All India Inter University Esports (BGMI) Tournament 2023-24.

Participation in Inter-University Tournaments

Poornima University also participated in a wide range of tournaments across various disciplines, showcasing the students' passion and dedication to sports:

- **Traditional Sports**:
  - o Kabaddi (Men), Basketball (Men), Football (Men), Cricket (Men), and Handball (Men).
  - o Badminton (Men) and Shooting (Women).
- **Esports**:
  - o BGMI and Valorant.
  - o Both tournaments highlight the university's commitment to modern, tech-driven sports.
- **Other Events**:
  - o Mini Golf (Men/Women) and Korfball (Mixed).

Key Achievements at a Glance

Tournament	Position	Session
All India Inter University American Football Boys (Flag)	Gold	2022-23
All India Inter University American Football Boys (Tackle)	Bronze	2022-23
EPS Basketball Showcase Championship	Bronze	2022-23
Senior National American Football (Women)	Gold	2023-24
Senior National American Football (Men)	Bronze	2023-24
MOGO Central Division Valorant Championship	Bronze	2023-24

Comprehensive Sports Culture

Poornima University provides students with abundant opportunities to participate in sports, building teamwork, discipline, and resilience. From large-scale competitions to intramural activities, the university actively encourages students to explore their potential in the sports arena, contributing significantly to their overall personality development.

These achievements underscore Poornima University's role as a leading institution for fostering athletic excellence alongside academic brilliance.

Language Proficiency Development Cell (LPDC)

The **Language Proficiency Development Cell (LPDC)** at Poornima University is committed to enhancing students' language skills, with a particular focus on English proficiency. Through its initiatives, the LPDC supports students in becoming proficient communicators, which is essential for academic success and professional growth in today's globalized world.

Programs Offered by LPDC

- **Language Lab**: The university's state-of-the-art language lab is designed to provide students with a comprehensive platform for improving their English communication skills. The lab offers a variety of interactive tools, including software and digital resources, to help students refine their speaking, listening, reading, and writing abilities.
- **Write, Rehearse & Speak (WRS)**: This initiative encourages students to practice written and spoken English through structured exercises. The WRS program is tailored to develop not only language proficiency but also confidence in speaking and presenting in public. Students engage in various activities such as writing workshops, mock interviews, presentations, and group discussions.
- **Poornima Mission for Becoming English Proficient Institution (PMEPI)**: As part of its long-term vision, Poornima University aims to become a leader in English proficiency education. The PMEPI program is a comprehensive strategy that includes curriculum integration, workshops, and regular assessments to support students in mastering the English language.

Key Features and Goals

- **Holistic Language Development**: LPDC emphasizes an integrated approach to language learning that covers grammar, vocabulary, pronunciation, writing styles, and communication strategies.
- **Skill Enhancement**: The programs are designed to improve the key skills required for academic and professional success, such as reading comprehension, effective writing, public speaking, and interpersonal communication.
- **Regular Assessments**: Students' language proficiency is regularly assessed through quizzes, assignments, and spoken language tests to track progress and identify areas for improvement.
- **Interactive Learning**: The LPDC focuses on providing interactive and engaging learning experiences through role plays, debates, and peer reviews, allowing students to develop practical language skills.

Importance of Language Proficiency

Language proficiency is not just about learning to speak or write but also about gaining the ability to communicate effectively in various contexts—academics, professional environments, and social settings. The LPDC aims to ensure that Poornima University students are equipped with the linguistic skills necessary for success in their careers and beyond.

In addition to enhancing academic performance, the LPDC also prepares students for global challenges by equipping them with the language skills needed to excel in international scenarios, thereby boosting their employability and career prospects.

Internal Quality Assurance Cell (IQAC)

The **Internal Quality Assurance Cell (IQAC)** at Poornima University is integral to ensuring the continuous enhancement of academic and administrative performance, aligned with the guidelines set by the National Assessment and Accreditation Council (NAAC). It aims to institutionalize a culture of quality in all aspects of university functioning, ensuring that the institution consistently strives for excellence in higher education.

Mission and Vision

The IQAC's mission is to create a quality-driven environment across the university that promotes continuous improvement in academic programs, administrative practices, and student services. By fostering a culture of excellence, it ensures that Poornima University maintains a leadership position in higher education.

Key Functions of IQAC

The IQAC is responsible for implementing and overseeing various quality improvement initiatives across the university:

- **Development of Quality Benchmarks**: IQAC creates specific benchmarks for academic and administrative processes to track and improve institutional performance.
- **Enhancement of Academic and Research Programs**: It ensures that academic programs are relevant, rigorous, and aligned with global standards.
- **Promotion of Student-Centric Learning**: The IQAC focuses on developing a learner-centric environment that encourages active student participation and engagement.
- **Feedback Mechanisms**: It collects and analyzes feedback from students, faculty, and other stakeholders to inform improvements in teaching, learning, and administrative processes.
- **Workshops and Seminars**: The IQAC organizes regular workshops, seminars, and sessions to promote awareness of quality standards and best practices within the academic community.
- **Documentation and Reporting**: It ensures the systematic documentation of activities aimed at quality improvement, facilitating transparency and accountability.
- **Internal Coordination**: IQAC coordinates with various departments and units within the university to ensure that quality measures are integrated and followed throughout.

Recent Awareness and Training Sessions

- **Awareness Session on UGC Student Grievances Regulation 2023**
  On February 27, 2024, IQAC organized an **'Awareness Session'** focused on the *UGC Student Grievances Regulation 2023*. The session, attended by key university dignitaries, was led by **Dr. V K Gupta, Ombudsperson** of the university, with insights from **Dr. Manoj Gupta**, Pro-President; **Dr. Chandni Kirpalani**, Registrar; and **Dr. Ajay Pagare**, Associate Dean, IQAC. This session aimed to raise awareness among students about the grievance redressal process and their rights within the university system.
- **Effective Resource Utilization for Efficiency in Higher Education**
  On March 18, 2024, IQAC hosted a session on **'Effective Resource Utilization of University for Efficiency in Higher Education'** for the students of the Faculty of Engineering and Technology. This online session was conducted by **Mr. Ravi Kumar Hada**, Officer of IQAC, who shared strategies for optimizing the use of university resources to improve academic efficiency. The session was attended by **Dr. Ajay Pagare**, Associate Dean, IQAC, and the Deans and Heads of Departments from FET.
- **Quality Improvement Program on Outcome-Based Education**
  On April 18, 2024, IQAC organized a **'Quality Improvement Program on Outcome-Based Education'** for faculty members across all schools of the university. **Dr. Sushil Kumar Jain**, Associate Dean (Academics), led the session, presenting insights into the outcome-based education framework and its importance in improving academic standards. The session emphasized the need for faculty members to adopt outcome-oriented teaching practices.

Strategies for Quality Enhancement

The IQAC employs a variety of strategies to ensure the effective functioning of academic, administrative, and financial tasks:

- **Efficient Performance of Tasks**: Ensuring timely and effective execution of all institutional processes, including academic and administrative functions.
- **Integration of Modern Teaching Methods**: Incorporating innovative teaching and learning techniques that foster student engagement and learning.
- **Affordability and Access**: Ensuring that all sections of society have equitable access to the university's academic programs.
- **Evaluation and Transparency**: Maintaining transparent and credible evaluation procedures to assess the performance of both students and faculty.
- **Collaboration and Research Networking**: Encouraging collaboration with national and international institutions to enhance research capabilities and share knowledge.

Benefits of IQAC

The establishment of IQAC leads to several advantages for Poornima University:

- **Quality Assurance Culture**: IQAC fosters a culture of continuous quality improvement, making it an integral part of the university's operations.
- **Improved Institutional Performance**: Academic and administrative functions become more efficient and effective, resulting in better outcomes for students and staff.

- **Informed Decision-Making**: The IQAC's data-driven approach helps university leadership make informed decisions for institutional development.
- **Sustained Institutional Growth**: IQAC ensures that Poornima University remains dynamic and responsive to the evolving needs of the academic community.
- **Accreditation Readiness**: IQAC's activities help the university maintain high standards of quality, facilitating national and international accreditation processes.

Through its dedicated efforts, IQAC plays a crucial role in shaping Poornima University into an institution that values academic excellence and continuous improvement. The cell's focus on enhancing quality, ensuring accountability, and fostering a culture of collaborative learning ensures that Poornima University remains at the forefront of higher education, delivering the best possible outcomes for its students and faculty.

Centre for Research, Instrumentation and Development (CRID)

In the rapidly evolving landscape of research and innovation, particularly in India, the **Centre for Research, Instrumentation and Development (CRID)** at Poornima University, Jaipur, stands out for its commitment to fostering high-quality research across a variety of disciplines. As scientific innovation, technological advancement, and artificial intelligence play increasingly pivotal roles in society, CRID plays a crucial part in contributing to these areas through original and impactful research initiatives.

CRID serves as a beacon for excellence in research by conducting both fundamental and applied research. The centre is a multidisciplinary hub, supporting a range of experimental and software-based research, with teams dedicated to addressing some of the most pressing challenges faced by society today. In a world where acquiring new knowledge and technology is increasingly complex, CRID helps researchers navigate various funding avenues and encourages them to leverage available resources to their fullest potential.

The vision and mission of CRID are focused on the continuous advancement of research and the dissemination of its findings to enhance both academic and societal progress. By fostering collaboration across different research domains and highlighting the societal impact of its projects, CRID ensures that its research not only advances knowledge but also results in practical, real-world applications.

Vision

To create a world-class research environment that fosters local and global collaboration, facilitating cutting-edge research in theoretical studies, synthesis, and fabrication-oriented projects.

Mission

- **Training Future Researchers**: CRID is dedicated to training the next generation of researchers, equipping them with the skills needed for basic, experimental, and analytical research.
- **Innovation and Technology Development**: The centre aims to drive innovation by developing new technologies that have real-world applications, benefiting society and industries.

- **Sustainability and Environmental Impact**: CRID emphasizes the advancement of research that promotes sustainability, enhances technology, and improves quality of life, contributing to a greener environment.
- **Research Excellence**: The centre strives to align its activities with the highest standards of research excellence, ensuring that its findings are not only scientifically rigorous but also impactful and relevant.

Key Focus Areas of CRID

- **Theoretical Research**: In-depth research in theoretical sciences to contribute to foundational knowledge in various academic fields.
- **Experimental Research**: Practical experiments and lab-based research that push the boundaries of current scientific understanding and technological applications.
- **Software-Based Research**: Development of new software tools and technologies, including artificial intelligence and data analytics, to support diverse scientific and industrial applications.
- **Collaboration**: Foster collaboration between researchers within Poornima University and with national and international research communities to enhance the scope and impact of research outcomes.
- **Funding and Resources**: Guide researchers in accessing appropriate funding sources and efficiently utilizing resources to maximize the potential of their research projects.

Strategic Goals

- **Increased Visibility**: Enhance the visibility of CRID at both national and international levels through collaborations, publications, and outreach efforts.
- **Knowledge Dissemination**: Share research findings widely, ensuring that they have a meaningful impact on society, industry, and policy.
- **Bridging Science and Society**: Narrow the gap between scientific advancement and its practical applications, ensuring that CRID's research leads to tangible improvements in everyday life.
- **Integration of Green Technology**: Promote research that aligns with sustainable development goals, focusing on green technologies and environmentally friendly solutions.

The **Centre for Research, Instrumentation and Development (CRID)** at Poornima University is an essential catalyst for driving scientific discovery, technological innovation, and social impact. With its strategic focus on training future researchers, fostering innovation, and advancing knowledge for societal benefit, CRID is committed to playing a pivotal role in shaping the future of research in India and globally. By continuing to push the boundaries of scientific inquiry and fostering interdisciplinary collaboration, CRID contributes to the development of solutions that address the most urgent challenges of our time.

Student Support Services

Poornima University offers a comprehensive suite of student support services to foster academic excellence and personal growth. Here are 12 key services provided:

1. **Student Council**: A platform for students to voice concerns, share ideas, and contribute to university life through events like cultural and sports competitions, seminars, and the flagship fest, Lakshya.
2. **Academic Support**: Accessible faculty members provide guidance to enhance the educational experience, assisting with coursework and research endeavors.
3. **Research and Development Support**: Financial assistance (seed money) is available for faculty to organize workshops, conferences, and short-term courses, benefiting both students and external participants.
4. **Counseling Services**: Professional counselors offer support for personal, academic, and career-related concerns, promoting mental well-being and effective stress management.
5. **Health Services**: On-campus medical facilities ensure students have access to healthcare, including routine check-ups and emergency services.
6. **Career Services**: The Career Services Department assists students in securing internships and placements, providing resources for career planning and development.
7. **Financial Assistance**: Scholarships and financial aid programs are available to support students facing economic challenges, ensuring equal access to education.
8. **Accommodation Services**: On-campus hostels provide safe and comfortable living arrangements, fostering a conducive environment for academic pursuits.
9. **Sports and Recreation Facilities**: A range of sports facilities encourages physical fitness and participation in extracurricular activities, contributing to holistic development.
10. **Library and Learning Resources**: A well-equipped central library offers extensive academic resources, including books, journals, and digital materials, supporting research and study.
11. **Student Clubs and Societies**: Various clubs and societies cater to diverse interests, promoting community engagement, skill development, and cultural exchange.
12. **Transportation Services**: University transportation ensures safe and convenient travel for students commuting from different parts of the city.

These services collectively create a supportive and enriching environment, enabling students to thrive academically and personally.

Report from Examination Cell

The Examination Cell at Poornima University serves as a pivotal component in the university's academic framework. Its primary responsibility includes planning, coordinating, and executing examinations, ensuring timely result declarations, and maintaining academic integrity. The report for the academic year 2023-24 provides a detailed account of the Cell's activities, achievements, and initiatives undertaken to strengthen the university's examination and evaluation system.

Examination Committee Activities
Minutes of the 23rd Examination Committee Meeting

- **Date:** October 8, 2024
- **Agenda:**
    - Review and analysis of semester results for the academic year 2023-24.
    - Status updates on CO-PO attainment sheets.
    - Preparations for the 11th Convocation.
    - Audit compliance and administrative improvements.
- **Key Outcomes:**
    - Approval of certified pass percentage reports for all programs and semesters.
    - Scheduled commencement of work on CO-PO attainment sheets.
    - Finalized timelines and procedures for degree distribution during the convocation.
    - Resolutions for addressing challenges in administrative workflows.

Administrative Audit

As part of the Internal Quality Assurance Cell (IQAC) directives, the Examination Cell completed an administrative audit for the academic session 2023-24. The audit evaluated:

- Pass percentages (certified by the Controller of Examinations).
- Degree distribution and convocation readiness.
- Documentation of CO-PO attainment metrics.

Academic Performance Overview

Semester-Wise Performance (July 2023 - June 2024)

The performance of students across various schools and programs is summarized below:

July-Dec 2023						
S.No.	**School**	**Course**	**SEM-1**			
			Total Student	**Pass**	**Fail**	**Pass (%)**

Examination committee meeting

The 23rd Examination Committee meeting of Poornima University was held on October 8, 2024, as per the notice issued on October 4, 2024. The agenda began with welcoming the members and invitees, followed by an address from the Chairman of the Examination Committee. The minutes of the 22nd Examination Committee meeting were presented for confirmation, and a report on the actions taken based on the recommendations of that meeting was shared.

Subsequently, the results for the even semester of the 2023-24 session were reported. The committee also discussed and finalized the list of degree awardees for the upcoming 11th convocation and deliberated on the policy for awarding gold and silver medals during the ceremony.

A presentation was given on the current status and utilization of CodeTantra and TCSiON, platforms integral to the university's academic and administrative processes. Another critical agenda item was the discussion and review of a revised proposal regarding the involvement of external examiners in setting and evaluating End-Semester Examination (ESE) question papers.

The committee deliberated on the time durations allocated for the Mid-Semester Examinations (MSE) and End-Semester Examinations (ESE), considering potential adjustments. Other miscellaneous issues related to examinations were also brought to the table for discussion. The meeting aimed to enhance the operational and academic effectiveness of the examination processes while aligning with the university's standards and objectives.

Result Processing and Degree Distribution
Result Processing

The Examination Cell ensured the timely evaluation of answer scripts and declaration of results for all semesters. Efforts were made to address challenges related to online submissions, discrepancies, and delays in assessment.

Degree Distribution

The Examination Cell coordinated the issuance of degrees for all qualifying students, including Ph.D. scholars. The **11th Convocation**, held in December 2024, marked a significant milestone with degrees conferred on several distinguished students.

Key Initiatives and Achievements
Automation in Examination Processes

The Examination Cell successfully implemented automation tools for result processing and degree distribution, leading to:

- Reduced manual errors in grade calculations.
- Faster result processing and dissemination.
- Initiation of e-degree services for students.

Enhanced Academic Performance

Several programs, such as B.Des, MCA, and MBA, showed significant improvements in pass percentages, attributed to:

- Rigorous evaluation standards.
- Increased focus on academic support and remedial classes.

Administrative Improvements

- Strengthened examination policies for transparency and efficiency.
- Improved coordination between departments for timely submissions and result processing.

Challenges and Recommendations
Challenges Faced

- Delays in CO-PO attainment documentation.
- Need for further digitization to streamline processes.
- Addressing low pass percentages in specific programs, such as BA and B.Com (IB & ID).

Recommendations

- Conduct regular faculty training on assessment and evaluation techniques.
- Organize workshops to improve student performance in underperforming programs.
- Expand digital infrastructure to fully automate examination-related activities.

Future Plans

The Examination Cell aims to implement the following in the next academic year:

1. Full integration of CO-PO attainment metrics for all programs.
2. Launch of a comprehensive online portal for examination services, including hall ticket generation, online revaluation requests, and degree verification.

3. Enhance coordination with IQAC for regular audits and feedback on examination processes.

The academic year 2023-24 witnessed significant advancements in the efficiency and transparency of examination processes at Poornima University. The Examination Cell remains dedicated to maintaining high academic standards and fostering a student-centric evaluation system.

Annual Report of Poornima University Central Library (2023-2024)

Nestled within the heart of Poornima University, the Poornima University Central Library stands as a beacon of knowledge and academic excellence. The library offers an extensive collection of resources, creating an environment conducive to learning and research for students, faculty, and researchers alike. With a focus on supporting the academic endeavors of the university community, the Central Library is more than just a repository of books—it is a dynamic hub of academic and intellectual activity.

Library Resources

The Poornima University Central Library is equipped with a comprehensive range of physical and digital resources designed to cater to the diverse academic needs of its users. As of the 2023-2024 academic year, the library holds:

- **Total Books**: 46,465 volumes covering a wide spectrum of disciplines.
- **Total Book Titles**: 10,387 distinct titles, providing a variety of academic perspectives.
- **Print Journals**: 96 print journals to support the latest research and scholarly discourse.
- **E-Journals**: 35,194 e-journals offering access to cutting-edge research across disciplines.
- **Magazines**: 35 magazines covering various fields of interest and providing broader knowledge.
- **Theses and Dissertations**: 54 theses and 186 dissertations for in-depth academic research.
- **CDs & DVDs**: 1,869 multimedia resources to supplement learning.
- **Rare Books**: 555 rare volumes, preserving valuable literary and historical works.

In addition to these resources, the library is registered as an **NDLI (National Digital Library of India) Club**, facilitating access to a wide range of digital educational content.

Library Services

- **Search Online**: Library books and resources can be searched online through the TCS ERP system, making it easier for users to locate materials.
- **Support for Academic Endeavors**: The library continues to play a vital role in supporting student and faculty research, offering access to study materials, journals, and quiet spaces for individual study.

Library Purchases and Subscriptions

The library's commitment to staying current with academic resources is evident in its ongoing procurement of books, e-books, and subscriptions to journals. Here are the details for the 2023-2024 academic year:

Session	No. of purchased books	No. of purchased e-books	No. of subscription to journals	No. of subscription to e-journals	Expenditure for purchase of books/ e-books and subscription

				to journals/e-journals
2023-2024	769	NIL	96	27 + 35188	584722 + 288736

The library continues to provide a comprehensive collection that meets the evolving needs of its academic community.

Library Activities

Throughout the year, the Poornima University Central Library hosted several notable activities designed to promote academic engagement and information literacy:

1. **Five-Day Library Resources Exhibition & Quiz Competition (April 5-9, 2024)**:
   This major event, held in collaboration with the NDLI Club, celebrated the library's most dedicated patrons. Awards were presented to Shairai Ali and Kalu Ram Kumawat for "Maximum Books Issued," while Sneha Krishnani and Shruti Soni were honored as "Library's Top Visitors." In addition, five NDLI quiz winners were recognized for their participation.
2. **Visit of Library Staff to LNM Institute of Information Technology (June 24, 2024)**:
   The library staff visited LNM Institute of Information Technology as part of an educational trip to enhance professional development.
3. **Online Session on Group Discussion (April 18, 2023)**:
   An online session was organized by the NDLI Club on "Positive Impact of Social Media & Moonlighting," promoting academic dialogue and interaction among students.
4. **Training Session on IEEE Xplore (August 10, 2024)**:
   A session was held to familiarize students and faculty with IEEE Xplore, a leading digital library for engineering and technology research.

Library Visits and Usage Statistics

The Central Library saw a significant number of visitors in 2023-2024, reflecting its crucial role in the academic lives of Poornima University students and faculty.

Session	Semester	No. of students visited in Library	No. of teachers visited in Library
2023-2024	even	45026	4605
2023-2024	odd	56968	323

These statistics underscore the library's importance as a central hub for research and academic support.

Library Newspapers

The Poornima University Central Library provides access to a diverse selection of newspapers, ensuring that students and faculty remain informed about current affairs. The newspapers available in the library include:

Name of newspapers	Language	Frequency
Rajasthan Patrika	Hindi	Daily
Dainik Bhaskar	Hindi	Daily
Dainik Navajyoti	Hindi	Daily
Jaipur Mahanager Times	Hindi	Daily
Panjab Kesari	Hindi	Daily
Rashtradoot	Hindi	Daily
Samachar Jagat	Hindi	Daily
Rojgar Samchar	Hindi	Weekly
Employment Newspaper (Weekley)	English	Weekly
The Times of India	English	Daily
Hindusthan Times	English	Daily
The Indian Express	English	Daily
The Economics Times	English	Daily
Business Line	English	Daily
First India	English	Daily
The Hindu	English	Daily

The Poornima University Central Library continues to evolve as a central pillar of academic support, offering a rich repository of physical and digital resources. With its dynamic activities, extensive collections, and commitment to fostering academic excellence, the library remains an indispensable part of the university's educational landscape. As we move into the future, the library will continue to innovate and expand its offerings to meet the ever-growing needs of the Poornima University community.

Faculty Achievements and Publications

Research Publications in Journals

Faculty members across various departments of Poornima University have significantly contributed to research publications during the academic year 2023-24. Below are the highlights of their achievements:

Key Faculty Contributions:

- **Dr. Garima Mathur:**
  - Published 8 papers in reputed journals such as *Springer* and *Elsevier*, covering topics related to material sciences and computational advancements.
- **Dr. Neeraj Tiwari:**
  - Authored 7 impactful papers indexed in *Scopus* and *Web of Science*.
- **Dr. Deepika Saxena:**
  - Published 2 articles focusing on emerging technologies in *Springer* indexed journals.
- **Dr. Rakesh Kumar Saxena:**
  - Contributed 3 publications, highlighting innovations in computer science and engineering.
- **Dr. Santosh Kumar:**
  - Published 3 papers on mental health and healthcare advancements in high-impact journals.

Summary Data:

- Total Journal Publications: 50+
- Indexed Journals: Scopus, Web of Science, and ABDC-ranked journals.
- Areas of Focus: Engineering, Healthcare, Management, Computational Sciences, and Design.

Patents Published

Faculty members have excelled in innovation by publishing several patents addressing practical and technical challenges. Notable patents include:

1. **Dr. Deepika Saxena & Team:**
   - *Patent Title:* Network Attached Storage Server using Single Board Computer.
   - *Publication Date:* 05-06-2024.
2. **Dr. Monika Gupta & Team:**
   - *Patent Title:* Design of Garments for Carrying Pets in Public.
   - *Publication Date:* 05-06-2024.
3. **Dr. Udit Mamodiya:**
   - *Patent Title:* Design and Development of a Dual-Axis Solar Tracking System.
   - *Publication Date:* 05-06-2024.

Summary Data:

- Total Patents Published: 15+.
- Focus Areas: Sustainable Design, Renewable Energy, Healthcare, and Textile Innovation.

Conference Presentations

Faculty members actively participated in national and international conferences, presenting innovative research findings:

- **Key Highlights:**
  - Presentations at IEEE conferences focusing on emerging technologies in IoT and AI.
  - Contributions to Springer conferences in material sciences and management.
  - Representation at interdisciplinary platforms for healthcare and public policy.

Doctorates Awarded

Poornima University has successfully nurtured scholars to completion of their doctoral degrees:

Notable Doctorates Awarded:

1. *Dr. Rahul Suvalka:*
   - *Title:* "Design and Analysis of Compact Planner Microstrip Antenna."
   - *Department:* Electrical Engineering.
2. *Dr. Mona Agarwal:*
   - *Title:* "Cashless Dynamics of the Economy: A Study."
   - *Department:* Commerce.
3. *Dr. Surendra Kumar Sharma:*
   - *Title:* "Investigations on Multifunctional Grid-tied PV Inverter System with Power Quality Improvement Techniques."
   - *Department:* Electrical Engineering.

Fellowships and Grants

Junior Research Fellowships (JRF) were awarded to promising scholars under the guidance of Poornima University faculty.

Key Highlights:

- **Aditi Maheshwari (FCE, Computer Engineering):** Registered on 11-Jul-2023.

- **Gaurav Singh Rathore (FET, Electrical Engineering):** Registered on 16-Aug-2023.

Summary Data:

- Total Fellowships: 4.
- Funding Support: Monthly stipends ranging from ₹40,000 to ₹50,000.

Notable Projects and Grants

Faculty engaged in sponsored projects and research initiatives:

- Collaborations with industries and government organizations to foster applied research.
- Key focus areas included renewable energy systems, AI-driven healthcare solutions, and sustainable design practices.

Highlights of Achievements

- Publication of more than 50 research articles in reputed journals.
- Filing and publication of 15+ patents in diverse fields.
- Successful completion of 12 doctoral theses.
- Active participation and presentation in prestigious conferences globally.
- Recognition of faculty members through awards and grants.

This comprehensive report showcases the exceptional contributions of Poornima University faculty members in advancing research, innovation, and academic excellence during the academic year July 2023 - June 2024.

Student Achievements and Placements

Student Achievements

Outstanding Academic and Co-Curricular Achievements:

1. **Sanyam**
   - Awarded the prestigious *Shanti Education Society Award* for exceptional performance and contributions.
2. **Aishwarya Nair**
   - A B.Tech CS (AI) student from Batch 2024 achieved:
     - A 70% scholarship equivalent to ₹81,375/-.
     - Secured one of the highest placement offers on campus at ₹11.00 LPA.
3. **Amit Saini**
   - A second-year BCA (Cyber Security) student was recognized for *100% attendance* during the 2023-24 academic session.
4. **Poornima Panthers Team**
   - Won a Bronze Medal in the *E-Sports (BGMI) All India Inter-University Tournament 2023-24.*

Community Engagement Activities:

- **Blood Donation Camp (September 29-30, 2023):**
  - A remarkable event where over 500 students donated blood, contributing significantly to saving 500 lives.
  - Participants were provided with refreshments and gifts, making the event a great success.
  - The camp was a testament to the enthusiasm and sense of responsibility among Poornima University students.

Placement Highlights

Poornima University has achieved remarkable success in placements for the academic year 2023-24. Below are the key highlights:

Top Placement Achievements:

1. **Aishwarya Nair (B.Tech CS - AI):** ₹11.00 LPA.
   - Secured one of the highest offers during campus placements.
2. **Placement Trends:**
   - Industries spanning technology, cybersecurity, and management recruited students at competitive salary packages.
   - Notable recruiters included MNCs and startups, emphasizing diverse placement opportunities.

Infrastructure and Student-Centric Activities

Infrastructure:

- The 32.67-acre lush green campus offers a serene environment conducive to learning and growth.
- World-class amenities include independent academic and administrative blocks, hostels, playgrounds, and amphitheatre-style classrooms with integrated audio-visual aids.

Student-Centric Activities:

- Regular interactions with corporate leaders and global thought leaders via state-of-the-art conference halls and seminar rooms.
- A strong emphasis on holistic development ensures students are prepared to excel in global competition.

The academic year 2023-24 has been a landmark year for Poornima University in terms of student achievements and placements. The University continues to foster excellence, creating a dynamic learning environment while ensuring student success in academics, co-curricular activities, and professional growth.

Placement Details

Sr No	Name of the school	Name of the student	Name of the company
1	FCE	AYUSH SHRIVASTAVA	Aadhar Housing Finance

Central Cells & Advisory Board

Poornima University (PU), located in Jaipur, Rajasthan, is a distinguished institution recognized for its commitment to academic excellence and holistic development. The university's organizational framework is designed to support its mission of providing quality education and fostering innovation.

Central Cells at Poornima University

The university has established several central cells, each dedicated to specific functions that enhance the academic and administrative environment:

- **Exam, Secrecy & National Academic Depository**: Overseen by the Controller of Examination (I/C), Mr. Naval Kishore Jain, this cell manages examination processes, maintains confidentiality, and handles the National Academic Depository.
- **Advanced Study & Research Cell (ASRC)**: Led by Dean Dr. Sunil Kumar Gupta, ASRC promotes advanced studies and research initiatives, encouraging scholarly activities among faculty and students.
- **International Relations & Spectrum, Annual Magazine**: Under the guidance of Dean Dr. Swati Gokhru, this cell manages international collaborations and oversees the publication of the university's annual magazine, "Spectrum."
- **Academics**: Associate Dean Dr. Sushil Jain supervises academic affairs, ensuring the quality and effectiveness of educational programs.
- **Internal Quality Assurance Cell (IQAC)**: Led by Associate Dean Dr. Ajay Pagare, IQAC is responsible for developing and implementing quality benchmarks for various academic and administrative activities.
- **Research Cell**: Associate Dean Dr. Udit Mamodiya heads this cell, fostering a research-oriented environment and facilitating research projects across disciplines.
- **Corporate Relations & Career Counselling**: Directed by Mr. Shubham Mahajan, this cell builds industry partnerships and provides career guidance to students, enhancing their employability.
- **Hostel and Sports**: Associate Dean Mr. Ashok Kumar Poonia manages hostel facilities and sports activities, ensuring a conducive living environment and promoting physical well-being.
- **Admissions**: Assistant Director Ms. Meenakshi Malav oversees the admissions process, ensuring transparency and efficiency in student enrollment.
- **Central Library**: Chief Librarian Ms. Sunita Pareek manages the central library, providing access to a vast collection of academic resources.
- **Students' Council and Committees**: Proctor (I/C) Mr. Ashok Kumar Poonia oversees the Students' Council and various committees, including Poornima Paathshala, AIESEC, and others, fostering student engagement and addressing grievances.
- **Centre for Research Instrumentation & Development (CRID)**: Deputy HoD Dr. Shrikant leads this center, focusing on the development and maintenance of research instrumentation.
- **Office of Finance & Accounts**: Deputy Registrar Mr. Nishant Kumar manages the university's financial operations, ensuring fiscal responsibility.

- **Network Department**: Network Administrator Mr. Praful Dubey oversees the university's IT infrastructure, ensuring seamless connectivity and network security.
- **Intellectual Property Rights (IPR) Cell**: In-charge Dr. Vivek Upadhaya (Engineering) and Ms. Ranu Burad (Non-Engineering) manage the IPR Cell, promoting awareness and protection of intellectual property.
- **Centres of Excellence**: The university has established various centers of excellence focusing on areas like Clean Air & Water Resources, Machine Learning, Solar Energy, and more, each led by dedicated faculty members.
- **Integrated Nodal Centre for Entrepreneurship and Novel Technologies (INCENT)**: In-charge Mr. Pratish Rawat leads this center, promoting entrepreneurship and innovation among students.
- **Women Cell**: In-charge Dr. Bhavna Sharma heads the Women Cell, addressing issues related to women's welfare and gender sensitivity.
- **Transport and Infrastructure**: Officers like Mr. Vishnu Kumar Yadav (Transport) and Mr. Amrit Singh (Estate) manage transport services and infrastructure maintenance, ensuring operational efficiency.

Corporate Advisory Board

Poornima University has constituted a Corporate Advisory Board comprising eminent industry leaders who provide strategic guidance and industry insights to align academic programs with market needs.

- **CEOs and Managing Directors**: The board includes CEOs and MDs from leading organizations such as Sogeti (a Capgemini Group Company), GOC Petrochemicals Pvt. Ltd, DP World, SwitzGroup - India, Campus Angels Network, Bridgestone India Automotive Products Pvt. Ltd, and Vitromed Healthcare - Poly Medicure Ltd.
- **Chairpersons and Executive Leaders**: Members include the Chairman of Unilever Consumer Care Limited, Executive Vice Chairman of Aadhar Housing Finance Ltd., Chairman of Nucleon Research, and Executive Chairman of Modenik Lifestyle Pvt. Ltd.
- **Chief Human Resource Officers (CHROs)**: The board features CHROs from prominent organizations such as Keolis Hyderabad Mass Rapid Transit System Pvt. Ltd, Welspun Enterprise Ltd, Eveready Industries India Ltd, GRP Ltd, Bajaj Markets, National Stock Exchange of India Limited, Reliance Nippon Life Insurance Ltd, MosChip, Kotak Life, Datamatics Global Services Limited, Star Health & Allied Insurance Co. Ltd, Shalby Ltd, RK Pharma Group of Companies, Exide Industries Ltd, Mahindra First Choice Wheels Ltd, Schaeffler India, Infiniti Retail Ltd. (Croma), and National Engineering Industries Ltd. (NBC Bearings).
- **Vice Presidents (HR) and Group HR Heads**: The board also includes Vice Presidents and Group HR Heads from organizations like UFLEX Group, Havells India, Kalyani Group, Avineon, Fiserv, Airtel, Diebold Nixdorf, Deepak Fertilisers & Petrochemicals Corporation Ltd., Alkem Laboratories Ltd., Garware Technical Fibres Ltd, LT Foods Ltd, and Force Motors Ltd.

The Corporate Advisory Board plays a pivotal role in bridging the gap between academia and industry, ensuring that Poornima University's curriculum remains relevant and responsive to evolving industry trends.

Activities Conducted by Poornima University

A wide range of activities at Poornima University, encompassing academic excellence, industry exposure, cultural enrichment, and social outreach, marked the academic year 2023-24. These activities were organized by various departments, faculties, cells, and offices, and were presented in the Academic Council. Below is a mention of some of the activities:

Academic Enrichment Activities

1. **Outcome-Based Education & Accreditation Criteria**
   o **Organized by:** Faculty of Engineering & Technology (FET)
   o **Date:** 3-7 July 2023
2. **FDP on Data Science with R**
   o **Organized by:** Faculty of Computer Engineering (FCE)
   o **Date:** 17-21 July 2023
3. **Workshop on Thin Film Technology**
   o **Organized by:** Physics Department
   o **Date:** 18-23 January 2024
4. **International Conferences**
   o **ICETISD 2024:** Emerging Trends in Sustainable Development
     ▪ **Organized by:** FET
     ▪ **Date:** 25-27 April 2024
   o **IRSHS 2024:** Inclusive, Resilient, and Sustainable Human Settlement
     ▪ **Organized by:** Faculty of Planning & Architecture (FPA)
     ▪ **Date:** 2-4 May 2024
5. **Expert Lectures and Seminars**
   o Topics ranged from "BIM (Building Information Modelling)" to "Leadership Through Emotional Intelligence."
   o Organized by departments including MBA, ASRC, and FPA.
6. **Workshops on Emerging Technologies**
   o Topics included Angular & React JS, Virtual Labs, and Web3.
   o Organized by FCE and IQAC.

Industry Exposure and Skill Development

1. **Industrial Visits**
   o Locations: Vidhan Sabha Jaipur, Indian Meteorological Department, Lehar Footwear Ltd., Renewable Energy Expo Noida, and others.
   o Departments: FMC, FET, and FSH.
2. **Workshops on Entrepreneurship and Skill Development**
   o "Energy Swaraj Yatra," "Goal-Based Financing," and "Entrepreneurship Awareness" sessions were key highlights.
   o Organized by INCENT, FMC, and FSH.
3. **Collaboration with Global Leaders**
   o **Red Hat Training and Certifications**
     ▪ Organized by: FCE
     ▪ Date: 14 September 2023

- o **Fulbright Information Session**
    - Organized by: International Relations
    - Date: 1 April 2024

Cultural and Social Activities

1. **Cultural Celebrations**
   - o Events included "Poornima Trends 2023 & 2024," "Nanhe Kalakar - Trashion Show," "Navratri Pooja," and "Rangtali 2.0."
   - o Organized by: FDA, DSW, and Student Council.
2. **Social Outreach**
   - o Activities: Blood Donation Camps, Cleanliness Drives, and visits to primary schools for safety awareness.
   - o Organized by: DSW and FSH.
3. **Sports and Recreation**
   - o Events: Badminton Tournaments, Movie Nights, and live streaming of sports matches.
   - o Organized by: DSW.
4. **Special Events**
   - o **IGBC Student Chapter Launch**
       - Organized by: FET
       - Date: 14 September 2023
   - o **Passport Drive for Faculty and Staff**
       - Organized by: Dean International Relations
       - Date: 15 September 2023

Research and Innovation

1. **Project Expo - Prayogam**
   - o **Organized by:** FCE
   - o **Date:** 28 February 2024

2. **Research Awareness Sessions**
   - o Topics: "How to Draft a Patent Application," "Mastering H-Index and Citation Strategies."
   - o Organized by: ASRC.

3. **Collaborative International Conferences**
   - o ICETDA-2024: Design and Arts, 5-6 April 2024.
   - o Organized by FDA.

Student Council Activities

The Student Council organized multiple activities to enhance student engagement:

1. **Celebrations**
   - Independence Day, Raksha Bandhan, Krishna Janmashtami, and Teachers' Day.
2. **Campaigns and Drives**
   - Cleanliness Drives and Donation Drives under "Poornima Paathshala."
3. **Skill Development**
   - Workshops on GitHub, Digital Security, and AWS.
4. **Recreational Events**
   - "Coke Zero Sampling," "Leheriya," and "Amazon AGIF."

The year 2023-24 was an eventful session that displayed Poornima University's commitment to academic excellence, holistic development, and societal contribution. These activities not only enriched the learning experience of students but also strengthened the university's vision to create global leaders.

Following activities were conducted in the session 2023-24 by various faculty / departments / cells / offices. The reports of all these events were presented in the Academic Council.

S. NO.	Event & Activity	DEPTT. / FACULTY	Date
1	OUTCOME BASED EDUCATIONAL & ACCREDITATION CRITERIA	FET	03-07, Jul-23

OFFICIAL UNIVERSITY PARTNER

Conclusion

The academic year 2023–24 has been an extraordinary chapter in the ongoing journey of Poornima University, underscoring its unwavering commitment to academic excellence, research innovation, and holistic student development. Guided by our vision to create a knowledge-based society with a scientific temper and a dedication to global competitiveness, this year has been a testament to our collective efforts toward achieving this goal.

Our academic programs, enriched with experiential learning, cutting-edge research, and industry integration, have empowered students to thrive in their chosen fields. With the establishment of new centers of excellence, workshops, conferences, and collaborative projects, the University has solidified its reputation as a hub for innovation and thought leadership. Notable initiatives, such as the Integrated Nodal Centre for Entrepreneurship and Novel Technologies (iNCENT), Advanced Study and Research Cell, and extensive MOUs with national and international organizations, reflect our focus on equipping students with skills that transcend the classroom and meet real-world challenges.

The infrastructure of Poornima University has played a pivotal role in fostering this culture of excellence. From our green campus initiatives, such as solar energy systems and water conservation, to state-of-the-art labs, lecture halls, and libraries, we have created an environment conducive to learning, innovation, and sustainability. Our transportation, hostel, and student support systems continue to provide a seamless and enriching experience for our students.

This year, the achievements of our faculty and students have brought laurels to the University. Faculty members have contributed through impactful research, publications, and participation in global forums, while students have excelled in academics, sports, cultural events, and entrepreneurial ventures. Notable accolades include national and international awards, exemplary placements, and the establishment of student-led startups, all of which reflect the University's dedication to nurturing leadership and creativity.

Furthermore, the University's emphasis on cultural and community engagement has strengthened our societal impact. Events such as the Jaipur Theater Festival participation, climate change awareness programs, cancer awareness drives, and skill-building workshops have not only enhanced the personal growth of our students but also contributed to the broader community.

As we look ahead, Poornima University remains steadfast in its mission to evolve as a global center for academic and research excellence. The future will see us further expanding our academic offerings, strengthening global collaborations, and fostering sustainable practices. With a focus on innovation, inclusivity, and ethical responsibility, we aim to prepare our students to be future-ready professionals who contribute meaningfully to society and industry alike.

In conclusion, the accomplishments of 2023–24 have been a reflection of the collective dedication of our faculty, students, and staff. Together, we continue to strive toward our shared vision of building a knowledge-based society and achieving new milestones in the years to come.
